

Questionnaire B - Question 2

Reply from:

If, in the field defined by any particular objective, the activities being carried on in your country at the national level encounter difficulties not apparently coming under any of the themes included in Questionnaire A, to the solution of which you consider that Unesco might contribute through its programmes, you are asked to list these difficulties as briefly and precisely as possible, quoting the number of the appropriate objective.*

CANADA

Name of country or non-governmental organization

	Objectives (quote numbers only)
<p><u>The themes appear sufficiently broad to cover any conceivable interest.</u></p> <p>NIL RETURN</p>	

* For non-governmental organizations in Category A, please read: "the activities being carried on by your organization".
