U.S. -- Canada Committee Meets: The Department of External Affairs announced on May 25 that the first meeting of the Joint United States-Canada Industrial Mobilization Committee will be held in Washington on June 1. The members of this Committee as previously announced after the exchange of notes between representatives of the two Governments on April 12 are:

Mr. Harry J. Carmichael, C.M.G., Chairman,
Industrial Defence Board of Canada

Mr. Sydney Pierce, O.B.E., Associate Deputy
Minister of Trade and Commerce, Canada

Dr. John R. Steelman, Acting Chairman, National
Security Resources Board of the United
States.

Mr. Donald F. Carpenter, Chairman, Munitions
Board of the United States.

COTC Summer Training: This summer approximately 2050 university COTC cadets plus members of the command contingents and cadets from Royal Roads and the Royal Military College will receive up to 16 weeks training at various corps schools and military installations across Canada.

The university officer cadets, representing 24 Canadian universities, began reporting for the practical phases of their training the first week in May and groups will be joining their corps at intervals until the end of June. Candidates for commissions in the Royal Canadian Armoured Corps began reporting for the first and second practical phases of their training at Camp Borden, Ont., on May 7, while the first group of third phase cadets joined the Lord Strathcona's Horse at Camp Wainwright on the same date. Cadets taking the third practical phase of their training with the Royal Canadian Dragoons began arriving at Petawawa Camp on May 14.

In the Royal Canadian Artillery, COTC training is being carried on at the Royal Canadian School of Artillery at Shilo, Man., Picton, Ont. and Esquimalt, B.C. These cadets also began arriving the first week in May. COTC members of other corps will receive their practical training at the Royal Canadian School of Signals, Kingston, Ont., the Royal Canadian School of Military Engineering at Chilliwack, B.C., the Royal Canadian School of Infantry at Camp Borden, Calgary and Valcartier, the Royal Canadian Ordnance Corps School at Montreal, and the Royal Canadian Electrical and Mechanical Engineers School at Barriefield, Ont. A number of cadets training for commissions in the Royal Canadian Army Medical Corps and the Royal Canadian Dental Corps will serve in various military hospitals and dental clinics in addition to those attending the RCAMC and RCDC schools.
