ST. LAWRENCE SEAWAY AUTHORITY ACT

AMENDMENT PROVIDING AUTHORITY TO CONSTRUCT AND OPERATE BRIDGE

Hon. George C. Marler (Minister of Transport) moved that the house go into committee to consider the following resolution:

That it is expedient to amend the St. Lawrence Seaway Authority Act by repealing subsection (1) of section 14A thereof as enacted at the present session of parliament and substituting the following subsection therefor:

"14A. (1) The authority may, alone or jointly or in conjunction with the St. Lawrence Seaway Development Corporation of the United States, construct, maintain and operate, either

(a) a bridge over Pollys Gut in the St. Lawrence river for the passage of pedestrians, vehicles, railway trains and for other like purposes, with all necessary approaches and facilities, from Cornwall island in the county of Stormont in the province of Ontario to Massena point in the state of New York, or

(b) a bridge over the south channel in the St. Lawrence river for the passage of pedestrians, vehicles and for other like purposes, with all necessary approaches and facilities, from Cornwall island in the county of Stormont in the province of Ontario to the United States mainland in the state of New York."

Motion agreed to and the house went into committee, Mr. Robinson (Simcoe East) in the chair.

Mr. Nesbitt: Will the minister be good enough to give us a statement as to the purpose of this resolution?

Mr. Marler: Mr. Chairman, hon. members of the committee will probably recall that earlier this session we adopted chapter 11 of the statutes of the present session for the purpose, among other things, of authorizing the St. Lawrence seaway authority, either alone or jointly or in conjunction with the Saint Lawrence Seaway Development Corporation of the United States, to construct, maintain and operate a bridge over Pollys Gut. Since then there have been discussions
