Dear Mr. Large:-

I read with much interest your letter of November 16th in which you tell me of the plans of the Kiwanis Club of Moose Jaw to put on the production of "A Trip to Blighty", which I remember so well when it was performed by the 16th Canadian Scottish Battalion Entertainment Troupe. I think one of the first shows I attended in France was the one put on by the 16th Battalion. I remember well Ben Allen, Jimmy Graham, and the others. Certainly these entertainments put on in France proved a veritable blessing, and all of us look back to them with feelings of gratitude and pleasure.

The citizens of Moose Jaw can rest assured that "A Trip to Blighty" will provide them with a most enjoyable evening's entertainment, while the knowledge that the proceeds would be used to provide Christmas Cheer for someone who has suffered from hard luck will make them doubly glad to help.

With all good wishes, I am,

Yours faithfully,
