

nursing and educational programme. The aims are to insure a better understanding and nursing of patients, to build up the clinical courses of study, and the best methods of clinical teaching. The study will be under the direction of the School and will be demonstrated to students of the School interested in clinical teaching. The hearty interest and co-operation of the Faculties of the Medical School and of the School of Nursing of the Royal Victoria Hospital have been assured.

Bertha Harmer, R.N., M.A.
