F.N. Southam, Esq.,
Southam Press Limited,
1070, Bleury Street.

Dear Mr. Southam:-

Dr. Lomer has just informed me of your gift to the McCord Museum by which you have enabled the Committee to acquire some most interesting and valuable material.

You will of course receive a formal acknowledgement, but I should like to anticipate it by offering you, on behalf of the Governors and myself, the sincere thanks of the University for your generosity.

Yours faithfully,

Principal.
