what Mr. Ford's delightful maiden

It has been said more than once that if any man were qualified to write the great American historical novel it is Mr. Ford, for he combines with an intimate knowledge of the subject the power to write a strong, absorbing and successful novel.

It is an attempt to do in the North what Thackeray did in the South with "The Virginians," during the same period. That is to say, it is not a novel whose characters are made of generals, colonels and soldiers, and whose scenes consist of battlefields, skirmishes and sanguinary adventures. It is a picture of the social life of the people at that time. Just as in "The Virginians," Mr. Ford opens his story with a series of chapters which show us the way in which the people thought and acted in 1776 in the State of New Jersey; we are introduced to squires and their wives and daughters; but through it we hear the hum of the oncoming strife, and by and by the story gathers force and impetus as General Washington comes on the scene, and we are introduced to the struggles on Manhattan Island, and on the Jersey shore, crossing the Delaware, camping out at Morristown, and so on through the war. The interest in the story is strong from the start. The first chapter opens brightly and winningly, and already in the second we are brought upon a mystery—and there is nothing that your reader loves so much as a mystery. With the introduction of the mystery there also begins to appear an incipient love story, but both are so dextrously handled that not until the end does the reader know what the end is to be. Washington comes repeatedly into the story, and the character of its hero is based on that of Alexander Hamilton.

The Great K. & A. Train Robbery

By PAUL LEICESTER FORD, author of "The Honorable Peter Sterling."
Price, Paper, 50 cts. Cloth, \$1.25.

"The Great K. & A. Train Robbery" is as capital a piece of foolery as the summer seems likely to bring in its train. . . . The whole drama is enacted within a few hours, the scene is properly limited, and the chief actors are but a half dozen or so. Yet as his Fates, Mr. Ford lassoes two Departments of Government, a State Judiciary, and a whole ranch's tale of cowboys. Under all the fun lurks a serious question or two concerning certain dangerous tendencies in American life.—*The Book Buyer*.
