Honorable John Ross, William MoMaster, Esq. William Ross, Esq. W. P. Howland, Esq. M.P.P. William Henderson, Esq.

Bankers-THE BANK OF MONTREAL. Solicitors-Ross, CRAWFORD AND CROWBIE,

This Branch was only opened last January, and now has an income of

SEVENTY-FIVE THOUSAND DOLLARS!

Which is retained in this country.

The increase of business in England is unprecedented, as shown by the Parliamentary returns, and the following taken from the last September Report:

"It will thus be seen that the total amount of business done during the last nine months of the Company's operations has been TWENTY-TWO THOUSAND NINE HUNDRED AND DNE NEW POLICIES," producing an additional annual income of

ONE HUNDRED AND FIFTY THOUSAND DOLLARS!

The Report further says, that "the Directors congratulate the Sharaholders on this satisfactory increase in the business of the Company, and they have every reason to believe that from the connection now formed it will continue to increase in the same ratio.

The Capital of the Company is devoted entirely to FIRE LIABILITIES, having no reserve fund for a Life Branch.

All Losses in Canada are submitted to the gentlemen composing the Board, who examine the particulars, and if found satisfactory, at once order the payment of the claim. This system has called forth numerous cards of thanks.

If differences should arise between claimants and the Company, the Manager is fully empowered to accept service of any process in law.

ALEXANDER STEWART.
