NO. 670—A BY-LAW

To provide for the repair, improvement and maintenance of Drainage Works, known as the Government Drain Number One, in the Township of Raleigh, in the County of Kent, and for borrowing on the credit of the Municipality, the sum of \$5647.95 for completing the same.

Provisionally adopted the 11th day of January, A. D., 1897.

WHEREAS, Government Drain Number One is a drainage work originally constructed under the provisions of Acts then in force respecting drainage by local assessment.

And whereas certain owners of lands assessed for the said drainage works have given notice that their lands are injuriously affected by the present condition of the said drain, and asking that the same be deepened and otherwise improved.

And whereas it was deemed expedient for the better maintenance of the said drain, and to prevent damage to lands and roads, to repair, enlarge or otherwise improve the said drain, and with that object the Council of the said Township of Raleigh appoint W. G. McGeorge, O. L. S., (being a person competent for such purpose) to examine and report upon the same.

And whereas, the said Council has procured such examination to be made by the said W. G. McGeorge, O. L. S., of the said drain, and of the area affected by the proposed work, and of the lands and roads liable to assessment therefor under The Drainage Act, 1894, and amendments thereto; and has procured plans, specifications and estimates of the said drainage work proposed to be made by the said W. G. McGeorge, and an assessment to be made by him of the lands and roads to be benefited by such drainage work, and of other lands and roads liable for contribution thereto, stating as nearly as he can, the proportion of benefit, outlet liability and injuring liability which, in his opinion, will be derived or incurred in
