

TABLE B

Showing the origin, quantities and value of French Imports, in 1892, of articles mentioned in

THE FRENCH TREATY

to receive the advantage of the **minimum Tariff** on entering France, Algiers and the French colonies when of Canadian origin and imported direct from Canada.

N. R.—Quantities are per ton of 2,200 lbs, when not otherwise specified. Cheese is not yet put on the treaty; its admission is subject to the decision of the Canadian Government.
