

to give as much as she would desire, could satisfy her zeal in behalf of the Work, by collecting either one or the other of these Offerings no matter of which amount; (25 cents Subscriptions would easily enable her to do this) and she could claim all the Spiritual Benefits promised to these Donors.

Moreover, she could also choose from amongst the Premiums mentioned on page 22.

It is not necessary to contribute in full, the amount of these Offerings. The payment may be made in parts.
