
The Problem of a Preface

upon most things, or he will never even have time to preach his own heresy.

Now the same difficulty which affects the work of Bernard Shaw affects also any book about him. There is an unavoidable artistic necessity to put the preface before the play; that is, there is a necessity to say something of what Bernard Shaw's experience means before one even says what it was. We have to mention what he did when we have already explained why he did it. Viewed superficially, his life consists of fairly conventional incidents, and might easily fall under fairly conventional phrases. It might be the life of any Dublin clerk or Manchester Socialist or London author. If I touch on the man's life before his work, it will seem trivial; yet taken with his work it is most important. In short, one could scarcely know what Shaw's doings meant unless one knew what he meant by them. This difficulty in mere order and construction has puzzled me very much. I am going to overcome it, clumsily perhaps, but in the way which affects me as most sincere. Before I write even a slight suggestion of his relation to the stage, I am going to write of three soils or atmospheres out of which that relation
