There is a possibility that York Town ship residents, who are enjoying the privilege of being supplied with city water, may have their supply cut off

altogether, for a time at least. City Engineer Rust, in discussing the increasing discomforts of the situation in the east end, due to the shortage in water supply, owing to the heavy drain made upon it by Scarboro Beach Park, said that if a crisis were reached, and householders within the city limits were suffering actual want, it would be necessary to discontinue

It had been anticipated that there
would be a hot time at the elections.
Both factions worked their level best,

KIDNEY DISEASE COMES ON QUIETLY

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some form of Kidney Complaint, but do not suspect it. It may have been in the system for some time. There may have been backaches, swelling of the feet and ankles, disturbances of the urinary organs, such as, brick dust deposit in the urine, highly colored scanty or cloudy urine, bladder pains, frequent or supressed urina-tion, burning sensation when urinating, etc. Do not neglect any of these symptoms, for, if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes.

On the first sign of anything wrong Doan's Kidney Pills SHOULD BE TAKEN.

They go to the seat of trouble, strengthen the kidneys and help them to filter the blood properly and flush off all the impurities which cause kidney trouble. Mr. Thomas Petty, Massey, Ont., writes: "After I arrived in Canada from New Zealand, a couple of years ago, I suffered very much from kidney trouble. I tried several remedies, but they did me no good. Finally my backbecame so lame I could scarcely work. I was advised to try Doan's Kidney Pills and after taking them I felt like a new man. taking them I felt like a new man.
