### KIDNEYS RETURNING to a HEALTHY STATE.

**RADWAY & Co.**—*Gentlemen*: I am now taking the fifth bottle of your Resolvent, and am receiving great benefit from it when all other medicines failed, and my Kidneys are returning to a healthy condition, and would recommend it to ALL suffering from any disease whatever from their Kidneys.

September 18, 1882.

Respectfully yours,

### DIABETES.

LOUISIANA, Mo., March, 1882.

**DR. RADWAY**—*Dear Sir*: I have used all your remedies with great success in practice; and the way I found favor with your Resolvent, it cured me of Diabetes after three physicians had given me up. I detected a change in my urine in two hours after the first dose, and three bottles cured me.

Your friend,

**DR. RADWAY & Co.**—*Dear Sirs*: Your Regulating Pills and Ready Relief have done for me what you claim for them to do for pains in all parts of the body, inflammation in the chest, disordered liver, caused by colds; soreness in the back, soreness in the sides, indigestion, bilious dysentery, loss of appetite, very heavy colds and fever, etc.

### ONE MAN TELLS ANOTHER.

**RADWAY & Co.**—I get pains all over my legs, and it is just as much as I can do to stand or walk. On April 11th, the day before yesterday, I was taken with those pains again, and had to stop work.

One of the workmen said, as I was trying to walk, "Get a bottle of Radway's Ready Relief," and I did. That night I rubbed it wherever I felt pain, using a half bottle, and it has acted like a charm. Just as you say—"The Great Pain Killer."

I thank God for those words, "Get a bottle of Radway's Ready Relief." It has relieved me. Of course, Nervous Debility is there. I want to know, can it be cured? I have all faith in you now.

### DYSPEPSIA OF LONG STANDING CURED.

**DR. RADWAY**—I have for years been troubled with Dyspepsia and Liver complaint and found but little relief until I got your Pills and Resolvent, and they made a perfect cure. They are the best medicines I ever had in my life.

Your friend forever,

WILLIAM NOONAN.

BLANCHARD, MICH., August 1st, 1885.

### PAIN IN SIDE AND STOMACH.

CINCINNATI, August 2th, 1879.

**DR. RADWAY & Co.**—*Dear Sirs*: I for over two years have been troubled with pain in my side; also a pain in the lower part of my stomach. If I would walk one or two squares from the house, I would always have to stop on the way until the pain would go away. Having tried two or three of the best doctors here in this city, but could not do any good—becoming afraid of this, seeing they could not cure me. I met one of my friends, who told me to try your Sarsaparillian and your Pills. I had no more than taken one, also one box of your Pills, and feel just as strong and healthy as a new man; I am on the second bottle of your Sarsaparillian and Pills, and I shall never be without them in my house as long as I live.
