

ANNIVERSARY OF THE I.O.T.

Splendidly Successful Picnic and Regatta at Foresters' Island.

A VERY DELIGHTFUL PRESENTATION.

The Portrait of Sir Henry Acland, Dr. Oronhyatekha's Instructor at Oxford, Painted for a Prominent Brother, and Presented to the Doctor—Results of the Regatta, and Description of a Happy Time Spent in One of the Loveliest Spots of This Fair Country.

Foresters' Island, Bay of Quinte, June 19.—The twenty-fourth anniversary of the Independent Order of Foresters was celebrated on Saturday by the holding of the fifth annual picnic and regatta at Foresters' Island, in the Bay of Quinte, off the north shore of Lake Ontario. The day was a beautiful one, and the weather was just what was needed for the occasion. The regatta was a very successful one, and the picnic was a most enjoyable one. The day was a beautiful one, and the weather was just what was needed for the occasion. The regatta was a very successful one, and the picnic was a most enjoyable one.

After dinner, before the regatta, there was time to take a look around and make note of those who were present. Among them were: First, the officers of the executive committee, namely, the Supreme Chief Ranger, Dr. Oronhyatekha; Judge Wedderburn, C. W. Scott, Esq., D. A. Atkins, Mr. C. W. R. O. Ottawa; Thomas Millman, M.D., Supreme Physician; Major J. H. Green, M.D., Supreme Physician; and G. A. Harper, Esq., Assistant Supreme Chief Ranger. The picnic was a most enjoyable one, and the regatta was a very successful one.

At 2:30 p.m. Mr. Charles Stone, secretary of the committee, and manager of the sports, announced that the entries were all in and every arrangement made for the sailing races. A three-mile triangular course had been laid out and buoyed off. Mr. D. A. Stone acted as measurer and Mr. H. J. P. Pettit, M.D., as timekeeper. In the morning the weather had been fine, but by the time the first gun was fired for the regatta to get ready, the sun's rays were pouring down, bathing the island in a glorious light. A fairly fresh northerly wind was blowing, and the water was very smooth.

The presentation over, supper was served, after which there were fireworks, illumination of the water, decoration of the yachts and dancing and music in the pavilion. The day was a beautiful one, and the weather was just what was needed for the occasion. The regatta was a very successful one, and the picnic was a most enjoyable one.

yachsmen assembled in the rotunda of the hotel and Dr. Oronhyatekha, after the Royal Mohawk band had played a few choice selections, with a few simple, appropriate words, presented the regatta hand some and costly prizes, and thanked the yachsmen for the capital sport and picturesque scenes they had afforded. And then the brave seamen gave three times three and a cheer for the great and good chieftain.

Games of various sorts followed, including a capitally contested baseball match between the Napanee and Yarker clubs, which lasted for two hours. The Yarker team won by a score of 10 to 5. The regatta was a very successful one, and the picnic was a most enjoyable one.

At 5 o'clock there was a large gathering on and about the band stand, and the presentation, to which previous reference has been made, took place. No Warning

Can Be Too Urgent or Too Solemn addressed to people whose health is breaking down, especially when accompanied by a persistent cough, however slight. If the family clock gets out of order and does not strike true, you send it to be repaired, my good man, or good woman, do you not? Is a clock more important than a human life?
