SKETCH OF CHARLES JAMES FOX THE GREAT WHIG STATESMAN

His Unique Personal Charm Felt By Everyone Who Came in Contact With Him-A Scholar and Orator of the First Rank-An Ardent Friend of Liberty.

London Times: Pitt's death was of Immense political and national importance; it deprived England of the man who, in the opinion of the great majority, was her chief defense against the world-embracing ambition of Napoleon. But except among his colleagues, the leaders of the Tory party, the disappearance of the great statesman left land been an allilance between England drew a poem from that most stalwart of the Tory party, the disappearance of the great statesman left land been an allilance between England drew a poem from that most stalwart of the Tory party, the disappeared of the Tory party, the disappearement which the death of Fox occasioned in every class of the community. It was not only the Dissenters reavement which the death of Fox ocBut personal charm is evanescent, be connected. Suppose for a moment slon the long and exhausting war and Gentleman's Magazine: "I saved ap- generation. As it was decided not to Dr. Maestricht was attached to an she lay that the chief declared she was of devoting themselves at last to long-desired domestic reforms. Everybody, in fact—except the King and Madame Du Deffand—everybody who had seen him, heard him, or come into any kind of contact with him during a public career of six-and-thirty years, had retion. Once in his unregenerate days are fond of speaking of these years as the London mob tried to murder him, the "frivolous beginning" of Fox's cabut a few years afterwards the elect-reer, but they were serious enough ors of West ninster were, and continued while they lasted, and the work that he to be, his humble slaves. Old Johnson, did then has been a double injury to the most truculent of Tories, said, "I his fame. Still, the records of his am for Fox against Pitt, for Fox is my speeches, taken together with contem-friend." The hypercritical Horace Wal-porary comments, give a sufficiently pole could not restrain his admiration complete picture of his public work and Duchess of Devonshire's devotion to applications of it were as various as him; what is less known is that the the patterns of a kaleidoscope-was a mere sight of him made a profound belief in the power, dignity, and almost Stoke Poges Put Up for Sale—The
