Note and Comment

The Saratoga races, that begin to day, will wind up the game in New York until new legislation lifts the lid, if it ever does. The Coney Island Jockey Club Futurity of 1910 will be decided at the Spa, and on Sept. 1 racing will be suspended in the state. That is the decision reached by a meeting of members of the Jockey Club and representatives of New York racing organi. zations. It is possible that some Coney Island Jockey Club stakes other than

Tommy Burns is visiting Vancouver for a few days, accompanied by Bill Corbett, the veteran Australian sport writer, who is enjoying his first visit to America. Burns and Corbett saw the lacrosse match Saturday in New Westminster between the Vancouver and Westminster teams. Temmy used to play lacrosse and figured on the old Seattle team when Lionel Yerke was managing that club. One evening Tommy was out with the Vancouvers at Recreation Park and a big crowd was out to see the fighter work out with the Vancouver team.

In reply to the announcement that his unknown was discovered, Jim Corbett said: "Why, there's no secret about it. I've picked out four or five young men, and am going to give them a thorb tryout. The one that shows class there is the cockill, 1b. or ability will be taken hold of by me, and I'll see if I can't nurse him along and friske a championship possibility out of him. McLeod is one of these. If he shows that he is willing and exhibits any promise whatever, I'll see what I can do with him."

Langford is a slight favorite over Kaufman for their six round bout at the ball rark, Philadelphia, next Wednesday night. Stanley Ketchel is leaving no stone unturned in his preparations for a tenround battle with Bill Lang, the Australian heavyweight champion in New York a week from Friday. Ketchel says he will weigh under 180 pounds. Lang will scale at 185.

Sporting Editor World: Would you kindly answer thru your columns: A batter is caught out by the wicket-keeper in the last ball of an over; the umpire at the bowler's end calls "over." The wicket-keeper appeals for a decision as to whether the batter is out or not. Which of the umpires should render this decision, and is the batter out? My rules on cricket are very indefinite as to what constitutes a thrown ball, and how to define it from a fairly bowled ball? Some bowlers check the swing of their arm in making the delivery. Where must the arm be checked so that a fair ball may be bowled?—An East Ender.

Island Jockey Club stakes other than the Futurity may be decided at Saratoga. No more will gatherings of fifty thousand or more assemble at Belmont Park, Gravesend and Sheepshead Bay to witness such popular and exhilarating events as the Metropolitan, Belmont Brooklyn, Suburban and Futurity.

Final workouts at Saratoga show several candidates for the handicap to be run at the Spa to-day to be in splendid form. Fitzherbert turned a' mile and a quarter in 2.03 4.5, hard held all the way. His stablemate, Dalmatian, was timed in 3.12, always under wraps. Ballot worked the handicap distance in 2.08 2.5. Maskette's time was 2.07 2.5, and Hilarious was diocked in 2.08 1.5. Clambala's best performance at the Springs is a mile and a quarter in 2.07.

There must be a change in the plan of campaign or it's only a matter of time when. Ed. Barrow's Royals will pass Joe Kelley's Leafs in the Eastern League baseball competition. Toronto is No. 3 and Montreal No. 6, with a bare item of eight games separating the two "Canadian teams."

Saturday's lacrosse program looks to be about the best of the season. The undefeated Nationals will takke Charlie Querrie's braves at the Stadium, while the Montreal twelve will meet the fading Torontos at the M.A.A.A. grounds. In Montreal they say that Montreal was will win both. The Garaktie says: Tecumsehs are a good bunker and the would stick him back again to-morrow, and, if he didn't win, would give him to Boston. LACROSSE NEWS AND GOSSIP

First Round in Some C.L.A. Groups Arranged—St. Mary's Win.

President Eby of the C. L. A. has ordered Newmarket and Alliston juvenile teams to play off a sudden-death game at Barrie on Aug. 10, in the first round. In the junior series, Alliston and Newmarket will play home-and-home games, the first at Newmarket on Aug. 17, and the return at Alliston on Aug. 24. Walkerton have defaulted to Owen Sound in the juvenile series.

No officials are yet in sight for the National-Tecumseh game at the island on Saturday. At least, Vice-President Murphy has not notified Manager Querrie that he has made any appointments. The reason for his slackness in this respect is causing the Tecumseh chief considerable perturbation. He does not want any undesirable foisted on him, as his team has suffered enough in this respect all season. It is generally thought that Jim Kavanaugh and Johnny Breinan will be sent up. They would be acceptable to the local team. It has been decided to play Ions at centre in place of Felker. The latter has not been going along any too well of late, and the shift should strengthen the team materially. Iast night the Tecumsehs had a fine practice, and appear to be in fine fettle for the game. Prior to the National-Tecumseh match, the Maitlands and Tecumseh juniors will meet in a C.L.A. game. The reserved seat plan will open this morning at Shea's Yonge Street Theatre.

All members of the Woodgreen lacrosse team are requested to turn out to practice to-night at 6.30, as the team to play Norway on Saturday will be selected.

The locals fully realize that they will have to travel fast to beat the green shirts, and, as they likewise intend to trim the Nationals here, they will have to go some in both games. There is some talk of a change in the line-up, but this will not be known definitely until Friday. A very large crowd is expected, as Shamrock-Cornwall games are always lively.

The Tecumsehs will practise to-night at 6.30 at the island in preparation for the game Saturday with the Maitlands.

Eaton's Intermediate C.L.A. team will play a practice game this evening with statement on the Cottingham square play a practice game this evening Maitlands on the Cottingham grounds, at 6 o'clock.

The Interassociation lacrosse team the Eaton A.A. meet the strong Hum Bay team on Humber Bay grounds surday next. The last time these teams met the result was a tie, 2-all.

The Interassociation lacrosse team of the Eaton A.A. practise at Diamond Park to-night, and request the following players to turn out: Parks, Twigg, Conwell, Walker, Hall, Rogers, Drinkwether, Rocke, Durnin, Sprye, Currie, Ramshaw, Mitchell, Thompson and Todd.

President Waghorne has made arrangements with Ernie Knott of the Young Torontos to play off the tie game between the Maitlands and St. Simons for the junior championship of the Toronto Lacrosse League. The game will start at 1.30 p.m., before the Young Toronto-Tecumseh fixture.

In the first of the home-and-home games to break the tie in district No. 2. St. Marys defeated Mitchell at Mitchell yesterday by the score of 10 to 4. Referee Whitehead of Toronto officiated.

GRAIN COMPETITIONS

Prizes Offered by C. N. E. for Sheaf and Sacked Grain.

J. Lockie Wilson, superintendent of agricultural societies for the province, has issued a circular concerning the exhibits of grain in sheaves and .in two bushel sacks, from the standing field crop competition.

Owing to the varied soil and climate in different parts of Ontario, and the desire to give every section an oppor-tunity to compete on equitable terms, it has been decided to arrange the province into three divisions as follows:
Division No. 1: Muskoka, Parry
Sound, Nipissing, Haliburton, Manitoulin, Algoma and other districts in

New Ontario.

Division No. 2: All counties east of York and Simcoe.

Division No. 3: York, Simcoe and all counties west and southwest of same. counties west and southwest of same. The sum of \$240 has been granted for a sheaf competition by the directors of the Canadian National Exhibition, Toronto. The kinds of grain that can be shown in this sheaf exhibit are fall wheat, spring wheat, oats and barley. Those eligible to enter this sheaf competition, and a similar one for grain in sack, must have won first, second or third prize in the standing field crop competition.

for grain in sack, must have won first, second or third prize in the standing field crop competition.

The grain winning prizes at the National Exhibition will be retained by the department of agriculture for experimental purposes and the grain that receives no prize will be sold to the best possible advantage, and the money received for same will be forwarded to owners, or if exhibitors wish their grain returned, they can have this grain returned, they can have this done by paying express charges on same. All entries must be made to J. Lockie Wilson, parliament buildings, Toronto, not later than Aug. 15
