LIVE STOCK MARKET

LIVE STOCK MARKET.

Business was very quiet at the Union Stock Yards yesterday, deliveries of fresh stock being light, only about 22 cars all stock being light, only about 22 cars all told. The market held fairly steady with Monday's prices and there was a good demand for good to choice butchers, but there were not very many of the latter class on sale. About the best that could be said for the market was that it was steady with Monday and was unmarked by any specia; feature. The abnormal temperature on the Union Stock Yards as elsewhere, is making itself felt, and commission men and drovers, once the business in hand is tranacted, do no; spend any unnecessary time o no, spend any unnecessary time around their offices.

The market for sheep and lambs was strong, the price for lambs, on a good demand, advancing to 15c per lb. for choice lots. Calves were steady to firm. There was a very light run of hogs, only 205, hardly enough on which to base a market quotation, but trade was strong, up to 25c over Monday's prices. The receipts were 22 cars, consisting of 291 cattle, 80 calves, 295 hogs and 101 sheep and lambs.
