## LARGE MARQUEE IS DESTROYED BY FIRE

## Two Ladies Injured in Motor Smash—Men Arrested for Reckless Driving.

A large marquee, occupied by John Montgomery, roadmaster of the Lake Shore Railroad, was completely destroyed by fire on Saturday afternoon. The cause of the outbreak is not ascertained, but it is thought to have been due to a spark from the stove catching onto some nearby bedding. The marquee, which was situated on the strip of property owned by the railway company, was being used for the summer by Montgomery and his family. Mrs. Montgomery, wife of the roadmaster, who has been ill for some time, fortunately left the marquee a few minutes prior to the outbreak. In attempting to save some of the contents, she sustained slight burns about the shoulders and hands. The amount of the damage is considerable, the fire consuming everything that would burn.

The vicinity of the rifle ranges camp on the Lake Shore road was the scene of a serious mishap on Saturday night, from which Mrs. Robert Stothers and a daughter, residing at 266 Salem avenue, Toronto, sustained serious injury. The accident occurred when the car in which the ladies were traveling, and driven by Robert Stothers, husband of the injured lady, was hit by several other cars stated to be driving at reckless speed. One of the cars, in order to avoid a head-on collision, swerved and struck the car driven by Mr. Stothers, sending it careening down a ditch and thru a fence, the car turning over and pinning the occupants underneath. Provincial Constable Rutledge of Port Credit was quickly on the scene, but was some considerable time before the younger lady could be extricated. Mr. Stothers and another younger daughter, who was also in the car, escaped serious injury.

In connection with the accident, four men residing in the Humber Bay district were arrested, charged, it is stated, with criminal negligence and reckless driving. The men were allowed to leave the scene in answer to the charge at Port Credit this afternoon.

## MENDELSON AGAIN WINS CROSS-THE-BAY

The big event on the bay on Saturday was the annual swim across the bay, the premier swimming competition in Ontario. The race, which was staged by the Toronto Swimming Club for the Walker House trophies, was started from the club house at Hazelton's Point. All of the local swimmers of note were entered in the list, which comprised 11 club members, 10 professionals and 11 ladies. The race was won by Mendelson, who pulled off in 1915 and 1919. Mendelson was also out to defend his title Saturday. A second place was won by "Dad" C. Hodgson, aged 65, a resident of the club, who has won the trophy in the event every year.

Great interest was evinced in the ladies competing, among whom Miss Madeline Foster, 1919 Canadian 100-yard champion, and Miss Alice Jones, secretary of the Toronto Ladies' Swimming Club, were the best known.

Another entry of special interest was A. Dundas, a sumo wrestler, who was entered in the 100-yard race. The following gentlemen acted in the official capacities: E. Galvin, starter; Roy Lowndes, referee; L. Armstrong, judge. Added to the trophies as prizes, were medals for first and second, and also medals for every competitor finishing within 60 minutes. The course is about a half mile long this year than former years, the distance being about one and a half miles. Of the 47 entries there were 39 actual starters, 7 of whom were ladies.

The results:  
1. S. Mendelson, T.S.C. 48.05  
2. E. Galvin, T.S.C. 49.15  
3. G. Ryder, unattached 49.10  
4. T. King, T.S.C. 49.30

8. Ryder, unattached 49.30  
9. R. Reeves, T.S.C. 51.07  
10. B. Newton, T.S.C. 51.10  
Twelve three-finished the course.

Ladies:  
1. Miss Marjorie Jackson 52.20  
2. Miss Marjorie Cox 52.35  
3. Mrs. Prior 57.10  
4. Mrs. Prior 57.10

7. Mrs. Prior 57.10  
8. Mrs. Prior 57.10  
9. Mrs. Prior 57.10  
10. Mrs. Prior 57.10

Mendelson won the race easily, having four minutes in time on his next competitor, trailing home at different stages. The ladies' race pulled off a sensational finish that had the crowd cheering vociferously. Miss Galvin led right to 20 yards from the finish, where she was in trouble. She was overtaken by Miss Cox, who won the gap in the last 200 yards, and beat her to the line. Miss Wilson narrowly continued and finished in second place.

## ONE-MAN CARS ARE GIVING SATISFACTION

The one-man cars recently inaugurated on the East Gerrard street drive route from Greenwood avenue to Main street, East Toronto, are apparently working satisfactorily. The people, previously unfamiliar with the innovation, are rapidly adapting themselves to the latest system of transportation, and the large crowds at rush hours, owing to the greater number of cars on the route, are being expertly handled by the motorman-conductor, with the least possible delay.

## GRADING WORK IN PARK IS FINISHED

Two Fires Over Week-End—Question of Sufficient Water for Fairbank Hydrants.

The grading work on the new Earlscourt Park, recently purchased by the city for this district, was completed on Saturday, and a great improvement has been made in the appearance of the park. A large wall has been filled up. It had been, source of danger to visitors, a little boy last year, during the Fall Fair, being buried for a short while, until rescued by his parents, who had reported their loss to the police. The remainder of the park has been left in its natural condition. The grading work and the grounds will be constructed later, together with seats for the public.

The question is being asked in Fairbank as to whether the water for the hydrants is sufficient to handle a series of fires break out, as happened last year at about this time. The Earlscourt fire station is the only station to supply the water in the township, and although there is a volunteer fire brigade in Fairbank there is no apparatus with which to put out a fire. The Earlscourt fire station is not permitted to go to a fire in the township without the permission of the chief of the fire department.

The Earlscourt reels were called out to a fire in this section yesterday, on St. Clair Gardens, adjoining the garage in which an Overland touring car had caught fire, and was easily extinguished, and another at the Junction at Oiler & Peck's molding shop, on Western road. Some woodwork was blazing when the reels reached the store, but after awhile was put out with a loss of about \$100.

Rev. Dr. Honeywell, a Chicago evangelist, and connected with Billy Sunday's mission, was the preacher at each service yesterday at the Earlscourt Central Methodist Church. Dr. Honeywell conducted an evangelistic campaign here a few months ago, and large congregations welcomed him yesterday. He was in the morning from Act 1, on "The Holy Spirit and the Influence Pertaining to the Christian Life." The speaker described the mission of the Holy Spirit and the meaning of the persons in one God. A special evangelistic address was given in the evening, and the choir rendered appropriate music.

Rev. Joseph Ordery conducted the services at the Timothy Eaton Memorial Church yesterday. He preached a powerful sermon in the morning to a large congregation. His subject being "The Sower." Mr. Ordery referred to the work of the harvest in the north-west, drew some practical lessons on unproductiveness and the need of early habits for good or evil in after life. He described men's thoughts in their relation to sowing the seed, and reminded his congregation of the fact that "Whatsoever a Man Soweth That Shall He Also Reap." Dr. MacMillan was the organist.

Major Ronald Townsend of Sutton, Surrey, England, is visiting relatives on St. Clair avenue. He was thru the war and is a relative of the hero of Kut—Major-General Sir Charles Townsend, K.C.B., D of the Order.
