KETCHELL AND BILL PAPKE

The Two New Ones Likely to Meet at Colma or Frisco Before the Snow Flies.

Young Ketchell, of Butte, Mont., conqueror of Joe Thomas, and Bill Papke, the Illinois thunderbolt, may meet at Colma or San Francisco before the snow flies. Papke claims that he is now the welterweight champion, but his reasoning is without foundation, for Mike Twinn Sullivan has been Honey Melody for the honor, Melody winning the championship from Joe Walcott.

But it is doubtful from what has been learned here, if Ketchell could scale as low as the welterweight mark. He is really betwixt and between the welterweight and the middleweight classes, just about as Joe Thomas and also Bill Papke find themselves. He is at his best at 150 pounds, and so is Papke.

Papke and his manager were to go to New York last night and look over the field there for bouts, and if nothing came out there in a couple of weeks to go to Philadelphia. Papke realizes there is little or no money in sight at present.

RINGSIDE CHAT.
Abe Attell is now in Chicago, and it is reported that he will meet Walter Little at the opening boxing show in the Windy City.

Joe Jeannette and Sam Langford may meet at the Crown A. C. Brooklyn, on Monday night.

Jack Twinn Sullivan is reported matched with Lemmon Bill Squires for Sept. 28. George Menzies, who is matched with Joe Gans for Sept. 27, will recuperate at Wheeler Springs, Mich. It is doubtful if he can get to the weight, 135 pounds ring-side, and be strong, and it is more than likely that the bout will not be held until about the middle of October.

Johnny Maro will meet Harry Ferns at the Sharkey A. C. New York, tonight. Bill McKinnon and Jack Grant will meet in one of the preliminaries to the Young Doncha-Dave Dealer fight at Chelsea Sept. 10. On the following Monday Dealer will meet Kid Sullivan of Washington at the Europa A. C. of Baltimore.

BASE BALL

LONG JOHN ANDERSON NOW A COP

Long John Anderson, ex-ball player-politician. That's how John Anderson, the player who, though in his prime and putting up the best brand of ball of his career, recently jumped out of the game and left Canton and his Washington team, desires to sign in the immediate future. John came back to Worcester, Mass., his home, and said he had given up baseball in spite of his hankering to join the Boston Americans if the deal could be effected. He declares that henceforth it will be the simple life for him. The simple life of a carpenter, but John found the simple life was not what it was cracked up to be and in spite of the fact he was picking up big money playing on independent teams throughout the state, he began to yearn to shine resplendent in a helmet and brass buttons.

The 215 stake race will also bring a grand field of horses together, including Ada Mac (2:17), which will make her first start in Fredericton this fall. Retail Boy (2:18), Will Be Sure (2:18-4), Kewella (2:18-4), Peachierina (2:18-4), Donella (2:18-4), and Burline (2:18), if he is able to start.

ATHLETIC
MIKE DONOVAN TO GIVE AN EXHIBITION.
Mike Donovan, champion square heel and toe walker of the world, will give an exhibition two-mile walk every evening at 8 o'clock on the track at Wonderland, Boston, during the go-as-you-please contest. Donovan is open to meet any man in the world in a heel-and-toe match for any amount of money, and will be ready to meet any and all comers during the progress of the pedestrian contest at the Revere Beach resort.

AMHERST REGALS START FOOTBALL
They are getting ready for the football season at Amherst and the new club takes the lead. The Amherst News of Wednesday says that the football practice on the Regals grounds every evening at 8:30 o'clock. All members are requested to be down every night.

THE AUTO
What is an amateur in the automobile world? There is hardly a day these days when a car is not sold, and few there are who can or will tell. Apparently the dividing line between the professional and amateur driver of automobiles is air, to be pushed away with one good strong breath. The promoters run amateurs and professionals together, the real difference being the apparent refusal of the amateur to accept cash. The drivers want a line drawn and drawn soon, and when that line has been so established that it cannot be crossed, then an amateur class of drivers will be found for real amateur races.

GOLF
The Stetson Cup competition will commence on Monday next first round Sept. 9 (4). Entries close Saturday at 5 o'clock. As this is a handicap competition and the principal event of the golfing season, a large entry list and spirited contest is assured.

BIG MEET FOR CAPITAL

Very Large Number of Entries for Fredericton Fair Races--Some of the Horses.

The Colonial City is to have tip-top races for the fair. The Glanor of yesterday says: "As near as can be figured at the present time of writing there will be fifty-five race horses here to start in the Fredericton Exhibition races. This will be about 15 or 20 more than ever before at a race meeting in this city or elsewhere in this province and increased accommodations have to be provided. The entries for the open classes of the fair races closed on Monday last and Secretary Williamson is now busy classifying the entries and preparing the lists for publication. Five in the Free for All.

The entry lists for the open races are in every way satisfactory. It is understood that in some of the classes there are from ten to twelve entries. This assures the public of good racing. In the free-for-all for instance there are five entries, the largest number of bona fide entries received for any free-for-all in the province this season to date. The list includes Terra Queen, (2:06), and Simasie, (2:08-13), as well as one which has been coming in Maine. Ada Mac in 2:17 Class.

The 215 stake race will also bring a grand field of horses together, including Ada Mac (2:17), which will make her first start in Fredericton this fall. Retail Boy (2:18), Will Be Sure (2:18-4), Kewella (2:18-4), Peachierina (2:18-4), Donella (2:18-4), and Burline (2:18), if he is able to start.

FIVE TO TWO FOR McARTHUR

Jury in Slander Case Returns Verdict for Defendant--Appeal Will Be Taken.

After having been out for nearly three hours Thursday afternoon the jury in the slander case of Edgcombe vs. McArthur returned to the court room with a verdict for the defendant. It was not unanimous, however, as two dissented, but under the law the verdict stands.

A. W. Baird immediately moved for a stay of proceedings with leave for the plaintiff to appeal and this was granted. The court then adjourned till the 17th inst., when the non-jury cases will be taken up. When court resumed at 2:15 his honor placed the case in the hands of the jury, who at once retired to their room. It was 2:25 when they filed out of the court room and at 4:40 they were sent for by Judge Landry. When they had taken their seats in the box they announced through their foreman, Francis Ritchie, that they could not agree as to a verdict. His honor, however, after some further instructions told them that five of their number could return a legal verdict and he suggested that they retire again.

They filed out once more and at 5:03 returned. The foreman handed a written verdict to the clerk, who passed it to his honor. He announced that the jury had returned a verdict not guilty in any of the four counts in the complaint. At his honor's request the foreman announced to the court that they had arrived by vote of five to two at a verdict for the defendant. The two who dissented are James F. Carmichael and R. Heber Arnold.

ELECTRIC SIGNALS ON INTERCOLONIAL
New Device to Prevent Train Wrecks Given Satisfactory Test Yesterday Afternoon.

Moncton, N. B., Sept. 5--The system of electric signals installed by the Standard Signal Company of Toronto on the I. C. R. between Moncton and Paines Junction for the purpose of a practical demonstration was given its first test this afternoon in the presence of the officials of the company and officials of the Intercolonial. The system is intended to automatically assist in the prevention of accidents to trains in motion, such as rear end collisions, head on collisions on single track, derailment, broken rails, misplaced switches or open points.

The work of installing the system between Moncton and Paines Junction was completed last fall. This summer, however, owing to double tracking, this portion of the Intercolonial system, it was changed and put in between Humphreys and Paines where today's test was made.

Two I. C. R. engines, Nos. 62 and 152, were equipped with electrical signals and were used in the test, which proved highly satisfactory to all. Among I. C. R. officials who witnessed the test were General Manager Pottinger, Chief Engineer W. B. MacKenzie, General Traffic Manager F. H. MacFadden, Assistant Manager R. W. Simpson, District Superintendent G. M. Jarvis, Chief Dispatcher H. B. Fleming, Chief Electrician D. Bryce Scott and others. Officials of Standard Signal Company present were H. E. Johnson, chief engineer, and W. H. Parker, secretary of the company. Dr. E. K. Turner, Toronto, was taken suddenly ill with meningitis and soon succumbed to the disease. His death was cause sorrow to many friends in this city.

OBITUARY
Frederick J. Hall
The death of Frederick J. Hall, formerly of this city, occurred in Chicago on Sept. 2. Mr. Hall was the son of the late Daniel H. Hall and is survived by his mother, a brother, Capt. C. H. Hall, and a sister, Mrs. Robert McIntyre. Mr. Hall was taken suddenly ill with meningitis and soon succumbed to the disease. His death was cause sorrow to many friends in this city.

Son of J. E. Brittain
St. John friends of John W. Brittain, New England agent of the Chicago and Northwestern Railroad, will regret to hear of the death of his only son, a bright boy of fifteen years, which took place Thursday at his home in Melrose (Mass.). Mr. Brittain is a son of the late James E. Brittain, of Carleton.

Mrs. Adelaide Haley
St. Stephen, N. B., Sept. 5--(Special)--Mrs. Adelaide Haley, relict of William Haley, died this morning about 3 o'clock at the Chipman Memorial Hospital. Mrs. Haley, who was suffering from cancer of the stomach, underwent an operation which was not wholly successful. Deceased was 70 years of age. She leaves four sons, Henry and Louis, of the firm of Haley Bros., of St. John; Professor Haley, of Acadia, and R. L. Haley, of St. John. The funeral will take place from the residence of her son, Louis, on Saturday afternoon at 2:30 o'clock; interment at the Rural cemetery.

DISASTEROUS SALMON FISHING
Vancouver, B. C., Sept. 5--The most disastrous salmon fishing and packing season in the history of British Columbia is at an end. The loss to the canneries is only about \$25,000 cases of sockeyes, the Fraser river, where but 55,000 cases were packed. This means that the canneries have lost nearly two months' work for nothing. The loss to the fishermen is even more. The pack of the British Columbia coast is now figured out as follows: Skeena river, 110,000 cases; Fraser river, 55,000 cases; River Inlet, 87,000 cases; Naas, 14,000 cases and outside points contributed 15,000 cases, making a grand total of 251,000 cases. Of this amount but 100,000 cases are available for export to England, as Canada has taken 120,000 and Australia about 75,000 cases.

The salmon pack of the coast will probably be about 2,000,000 cases, of which there will be about 1,000,000 cases of Alaska reds, 200,000 cases of British Columbia sockeyes, 50,000 cases of Puget Sound sockeyes, and 250,000 cases of Columbia chinooks, making a total of about 1,650,000 cases of high grade salmon, but the pack of low grade salmon will probably be in excess of half a million for the season. The phenomenal run of humpbacks on Puget Sound. In this connection it is well to note that it takes on an average 20 humpbacks to make one case of 4 dozen 1-pound cans, and of sockeyes 12 and reds 15.

THE GOLF CHAMPIONSHIP
Windsor, N. S., Sept. 5--The interest in the golf tournament grows as the first round for the championships draw near. The heavy rain which prevailed today did not damp the ardor of the golfers and play went on as vigorously as ever. The third round in the competition resulted as follows: Miss Thomson vs. Miss Unlatch, 4 up, 3 to play. Mrs. Handomebody vs. Miss Stetson, 3 up, 1 to play. Consolation--Final won by Mrs. Morrie Windsor, 2 up. The approaching and putting contest was won by Mrs. Handomebody over eighteen contestants.

WEDDINGS

Dallin-Daley
The residence of James K. Daley, Gardiner's Creek, was the scene of a pretty wedding Wednesday evening, when his daughter, Harriet, was united in marriage to James Dallin, of Fairfield.

The bride, who was unattended, wore a very pretty gown of white organdy and lace. Immediately after the ceremony a supper was served and the happy couple left for their future home in Fairfield. Many handsome presents testified to the esteem in which the young couple were held.

Northrup-Gilliland
A very quiet and pretty wedding took place at noon on Wednesday, Sept. 4, at the home of J. A. Gilliland, Westfield Centre, when his eldest daughter, Jennie M., was united in marriage to Otis O. Northrup, of Belisle, by Rev. J. J. Parkerton, of Welsford.

The immediate relatives were in attendance. The bride was unattended, was becomingly gowned in grey silk with lace trimmings. After the ceremony a dainty luncheon was served. The young couple were appropriately remembered by their friends with suitable gifts. A beautiful pearl crescent brooch was the gift of the groom. The happy couple left on the afternoon suburban train on a visit to relatives at Belisle, the bride wearing a traveling suit of blue chiffon broadcloth with lace to match.

Mr. and Mrs. Northrup will leave in a few days for their future home at McLeod, in Southern Alberta. They will leave behind them many friends, who, while regretting their departure from New Brunswick, wish them every prosperity and happiness in the home of their choice.

Evans-MacFarland
On Wednesday, September 4, at 11 a.m., St. Paul's Chapel of Ease, Whitehead, Kings county, was filled with friends and relatives to witness the marriage of Miss Elizabeth Gertrude, youngest daughter of Joseph R. MacFarland, of Glenora, to Albert Cunningham Evans, of West Somerville, St. John county.

As the bride entered the church laden on her father's arm, the wedding march was played by Miss Wainwright, of Kingston. The bride was dressed in white silk with flowing veil and orange blossoms and carried a bouquet of white roses. The bridesmaid, Miss Eleanor Emily MacFarland, looked very pretty in cream cashmere and black picture hat. She carried a bouquet of pink carnations. Wilson Evans, brother of the groom, filled the part of best man with becoming modesty. The church was tastefully decorated for the occasion with a profusion of cut flowers. The bride and groom were introduced by Rev. Hastings S. Wainwright, rector of Kingston, and after the ceremony the bride and groom, followed by the guests, drove to the residence of the bride's father, where they received the congratulations of the assembled company. A sumptuous luncheon was served on tables gayly bedecked with carnations and white asters.

The bride's presents, which were numerous and handsome, showed the good taste of the donors and the popularity of the young couple. After the luncheon the bride and groom, accompanied by Mr. and Mrs. Evans, amid much handshaking and many good wishes for future happiness, and with showers of rice, left for their future home in St. John.

A CRIME THAT IS NOT PUNISHABLE.

How many people reading this article have gone into a drug store and asked for some well known and highly tried medicine and some unscrupulous druggist has said, "Yes I've heard that, but have you ever tried this remedy, it is just as good and costs less." Any druggist doing this has not the interest of your health at heart, but the interest of his pocket, as he can make more profit out of the cheap substitute.

For the protection and benefit of the public, we wish to say that Dr. Fowles' Extract of Wild Strawberries has been used in thousands of homes for the past sixty-two years and has never failed to give prompt relief and cure in all cases of Diarrhoea, Dysentery, Colic, Stomachic, Cholera Infantum, Cholera Morbus and all Fluxes of the Bowels. When you buy Dr. Fowles' Extract, you are not experimenting with a new and untried remedy, but are getting one that has stood the test of time.

Miss Lettie Reid, Vivian, Ont., writes: "Last year I suffered untold agony from cramps in the stomach and did not know what to do until a friend suggested I should try Dr. Fowles' Extract of Wild Strawberries and as I was glad to try anything I purchased a bottle. "When I had taken four doses I found relief and since then I never fail to keep a bottle in the house."

The Regular Saturday Nighters
Beans aren't in it! Our STEAK PIES have them trimmed! More people eating them every Saturday.

Reasons simple: STEAK PIES are ready to eat; a few moments in the hot oven they're hot, no labor, meal ready in a jiffy. The outside tells the tale of the inside goodness. Come and look if nothing else. Better bring 5 cents though, you'll want to try one when you see them!

Kneading bread is one thing. Needing bread another thing. The kneading because you're needing is not a necessity. SCOTCH ZEST BREAD stops the work and fills the want. It's "O SO GOOD!"

Montréal, Sept. 5--A special London cable says Lord Strathcona reached his London home shortly after midnight from Plymouth. He appears in the best of health and says he thoroughly enjoyed his Canadian holiday. He is more emphatic than ever that the All-Red project is going through and that it will be a success. Lord Strathcona says nothing on the point, it is understood the only real remaining difficulty is not with the British ministers who are generally acquiescent, despite the Cobdenite opposition, but with the Canadian Pacific who, with the Allan line, greatly resent any state-subsidized attempt to rob them of the legitimate fruits of their enterprise in catering for the cream of Canadian Atlantic travel.
