7-1

Royal Scarlet Chapter meets tonight—Exaltations.

This is "White Beauty"

## Why Wish and Wait?—It's Yours Now

Sooner or later you are going to buy a good kitchen cabinet. You naturally rebel at useless kitchen labor, long hours and thousands of extra steps

Even now you are dreading the coming summer's heat. Why not be guided by the judgment of over 800,000 Hoosier owners? They have solved your work problem.

With a Hoosier you can sit down at your work. You overcome summer heat and escape excessive toil merely by putting into your kitchen now.

## The Hoosier Kitchen Cabinet

## Saves Miles of Steps

Thousands of women all over the country are buying Hoosiers this month to escape summer drudgery. They have the joy of a Hoosier all summer long. By the time summer is over all the little payments will have been made, and their Hoosier works for them a lifetime free.

Inspect the Hoosier yourself and you will be convinced that you should not go through the summer months without the relief it brings.

One cabinet lasts you a lifetime if you select the Hoosier.

As an example of its quality, \$100,000 extra every year goes into the pure aluminum on the tables alone. Yet, enormous sales everywhere have brought the cost of each cabinet down to an insignificant sum.

The quality of the Hoosier you buy from us is backed by this famous guarantee:—"Your money back unless you are delighted with your Hoosier." So when you buy your kitchen cabinet, choose the Hoosier. You'll never make a better investment.

## This Week \$1 Puts the Hoosier in Your Home

We will deliver a Hoosier to your home this week if you merely pay us \$1—a few pennies a day for a short time completes the low cash price. No extra fees or interest. Why wish and wait when merely a dollar gives you afternoon freedom instead of all-day drudgery? This famous Hoosier Club Plan was initiated solely to enable you and every other woman to get a Hoosier the minute you know you would like to have it.

Come in today. Don't delay. Don't let summer come upon you unprepared. Other women are turning their kitchens into scientific workshops now, and a single little dollar will do as much for you. ACT NOW. Sole agents.
