

# CANADIAN FARMERS' ALMANAC.

1872 Notre Dame Steet,

MONTREAL, January 1st, 189

The Publishers of this OLD, RELIABLE AND STANDARD ALMANAC with a view to meeting the wants of their numerous patrons throughout Canada, have had the matter arranged so as to include the Provinces of Ontario, Quebec, New Brunswick and Nova Scotia. This has necessitated a departure from the old and familiar arrangement of the monthly pages. The Ecclesiastical Calendar and Weather Aspects, &c., will now be found at the foot of each month's solar and lunar calculations. The monthly foot notes of sound advice to Farmers have been transferred to pages containing useful information, with many useful recipes.
