

WINTER CHURCH PROGRAM BEGINS

Central Baptist Baracca Class Organized—K. A. Wilson President

Young People's Union to Be Formed—Pastor Speaks On Heaven, a Home.

All departments of the Central Baptist church began their winter program yesterday most auspiciously. In the Sunday school the enrollment was 84 more than on the previous year. The Men's Baracca Class organized for the season with Rev. James Dunlop, pastor, as teacher and elected the following officers, and committees: President, Kenneth A. Wilson; vice-president, Clarence Beveridge; secretary, Percy D. Macdonald; assistant secretary-treasurer, Charles Downey; corresponding secretary, E. J. McKim; membership committee, Hartley Wana-maker, convener; Arthur Everett, Myles Thomas and Kenneth Gillies; committee on the sick, Horace Hoyt and W. W. Chase; social committee, Frank Ross, convener; Leo Saunders, A. F. Phillips, Percy Connon and G. W. Stegman; music committee, Archie Gillies and Wendell Belyea.

TO FORM UNION

A Central Baptist Young People's Union is to be formed this evening and the C. B. Y. P. group of the church is re-organizing for the winter work. The Fellowship Class held its first meeting yesterday with Dr. A. A. Wilson as leader and the Philathea Class met with Mrs. Edith Stevens as leader. Large congregations attended the morning and evening services in the church and in the evening Rev. Mr. Dunlop gave the first of a series of talks on the future life. His theme last night was "Heaven, a Home." He spoke of death as a fact and an experience, a friend and not an enemy of man and said that at most death was unreal since Christ had banished it. Christ, Rev. Mr. Dunlop said, had had no fantastic idea of Heaven, to Him it was just His Father's house, a home and a place of spiritual fellowship. The preacher spoke of Heaven as a home satisfying the call of the heart, the claims of the head and the yearning of the spirit.

Deaths

James Wayne

James Wayne passed away on Sunday morning at the residence of his daughter, Mrs. Charles Dykeman, Church Avenue, Fairville, aged 84 years. Mr. Wayne had been ill for the last four years and seven months and he bore his sufferings with great patience. In his younger years he resided in Musquash and was engaged in lumbering. About 25 years ago he took up residence in Fairville and was in the employ of the Nashwanak Pulp and Paper Company, Limited, for 20 years. He is survived by three daughters, Mrs. Charles Dykeman, Mrs. Thomas Kerrigan and Miss Ida Wayne, and two sons, Robert and William. All of the children live in Fairville. He also leaves 16 grandchildren and five great-grandchildren, one brother, Gilbert, of West Saint John, and one sister, Mrs. Sarah Thompson, of Los Angeles. The funeral will take place on Tuesday afternoon at 2 o'clock from the residence of Mrs. Dykeman in Fairville.

Mrs. T. Stevens

Word was received yesterday of the death earlier in the day of Mrs. Talmage Stevens at the Moncton City Hospital, where Mrs. Stevens was stricken after a short illness of pneumonia. She leaves, besides her husband, two brothers, George Haley, of Gagetown, and John, of this city, also Mrs. W. R. Jones, who resides here.

William E. Hunter

MONCTON, Oct. 18.—William E. Hunter, locomotive engineer of the Canadian National Railways, passed away at his home, 74 Archibald street, this morning, death being due to pneumonia. Mr. Hunter was born in Saint John on Sept. 8, 1865, being 60 years of age. He was a son of the late John Hunter, C. N. R. mechanical foreman, of Saint John, and entered the service of the Government railways 44 years ago. At the time of his death he was one of the oldest locomotive engineers in the railway service. Mr. Hunter had been a resident of Moncton for 42 years and was an active member of St. George's church. He was a member of the Independent Order of Oddfellows, also a valued member of the Brotherhood of Locomotive Engineers. He was well known all over the C. N. R. and as a citizen of Moncton was held in high esteem. He is survived by his widow, formerly Miss Julia Stewart, of Amherst Point, N. S., and two sisters, Mrs. D. L. Smith, of Amherst, and Mrs. David Lawrence, of Port Lawrence.

Miss Jean Dalzell, R. N.

ST. STEPHEN, Oct. 18.—Word was received here Saturday of the death of Miss Jean Dalzell, R. N., which occurred Friday in Newfoundland. Miss Dalzell was 24 years of age. She was born at Grand Manan and came here a few years ago to train at the Chipman Memorial Hospital, where she was graduated. She was a popular young lady and had made a host of friends. Only this fall she went to Newfoundland and Labrador to follow up her work. She was only there a short time when she took sick and kept getting worse until the end came on Friday.

Mrs. M. N. Moir

YARMOUTH, N.S., Oct. 18.—Mary Nolan, wife of John A. Moir, proprietor of Moir's Bakery in this town, died at her home here Friday after an illness extending over several weeks. Mrs. Moir was a native of Halifax, but since her marriage, over thirty years ago, she had resided in this town. Mrs. Moir was 68 years of age and besides her husband she is survived by three daughters, Mrs. Ella Wengall, at home, and Miss Delia, of Yarmouth, and Miss Isabel, a student nurse in the Melrose (Mass.) City Hospital, who for the last few weeks was at home with her mother. There is also one granddaughter and one brother, Michael Nolan, of Halifax.

Buffalo Capturing Flour Milling Trade From Ontario; Railway Board Asked to Act

Continued From Page 1.

that there would be a gain to Canadian railroads and ports, while the Ontario milling industry would be freed from discrimination in favor of Buffalo. Here is a summary of the case for the Ontario millers, backed by the Ontario Government and submitted by Senator George Lynch Staunton, K. C.

"In short what the Province wants is that grain from the West ground in Ontario east of Fort William shall take the export grain rate when shipped to the American and Canadian seaboard plus the one cent stopover charge. "I desire to refer to Privy Council Order No. 886 and memorandum issued by the Board thereon: 'The production and export of grain and flour forms one of the chief assets of the Dominion.' (a) the memorandum 'Claim that any unjust discrimination, or undue preference or unfair treatment in rates of freight charged on any commodities—or in the treatment of any person, city or province.' (b) To make submission as to the encouragement of the movement of traffic through Canadian seaports."

"Grain shipments from Port Arthur and Port Arthur from Aug. 1, 1924 to July 31, 1925. Reported by the Lake Shippers' Clearance Association:

Buffalo	105,998,965
Toledo and other U. S. ports on Lake Erie	5,010,299
	111,009,264

"From this 111 million bushels the Canadian Railroads do not get one cent of revenue after it leaves Port William. Port Colborne

Port Colborne	58,099,995
Montreal	18,772,006
Quebec	565,946
	77,437,947

"From this 77 million bushels the only revenue the Canadian railroads get is from that portion the mills at Port Colborne and Montreal grind and ship out by rail—They, of course, ship out by water also.

Total water movement except as noted 188,447,211 Canadian Lake ports and rail movement Port McNicoll, Midland, Tiffin, Collingwood, Goderich and Port Stanley 49,648,878 "The railroads get revenue from every bushel of this 49 millions, as what is not used by the mills they take out as grain.

"It is important to note:— (1) That not a bushel of wheat went to Port McNicoll July or August, 1925. There are no mills there, but shipments were made both these months, to Midland, Goderich and Port Colborne where mills are located. The above figures serve to show to some extent the great value to the railroads and to Eastern Canada of the milling industry.

"(2) Of the 111 million bushels which went to Buffalo, etc., not one bushel was headed for a Canadian port—not a Canadian railroad.

"(3) As pointed out before, the daily milling capacity of Buffalo during 1923 and 1924 increased 15,000 bbls., while the last I filed of Ontario mills going out of business totalled 5,700 bbls. daily capacity.

"Why this contrast? One reason was the export rates charge on flour from Canadian Lake Ports are higher than Buffalo. Flour, Buffalo to New York. Order 400 16c. Flour, Port Colborne to New York. Order 400 18½c. Flour, Goderich to New York. Order 400 21c. Flour, Port McNicoll, Midland and Tiffin to N. Y. Order 400 22c. Flour from Buffalo to New York 16c. Flour from Port Colborne, Midland and Goderich to Montreal 17½c. To Atlantic seaboard 18½c.

"Here you see the flour rate is 2c. per 100 lbs. higher than wheat for export, and yet flour and wheat are the same rate when exported via Vancouver. In case 1238—Grain rates Western Canada to British Columbia Coast ports for export—General, Order No. 384, Page 4, 10th October, 1923, the following significant paragraphs occur:— "The export rate situation in the United States has an intimate relation to the export rate situation in Canada. Taking grain as a characteristic commodity and taking Chicago as a common point grain for export to Europe may find its export points at points at Montreal, Portland, Boston, New York, Baltimore, Philadelphia and Newport News. In connection with the movement through New York the rate from Buffalo is exceedingly important and has a controlling effect as a maximum on the movement from Canadian bay ports."

"Why should flour shipped through Quebec or Canadian Atlantic ports pay higher than the wheat rate when they both take the same rate shipped through Pacific Ports.

"Why should flour milled in Ontario pay higher rates for export than flour milled in Buffalo from Canadian wheat when the wheat rate from Buffalo and Ontario lake ports to the Atlantic Seaboard are exactly the same? Surely the advantage, if any, should be given to milling Canadian grain in Canada instead of United States.

"The Government of the Province of Ontario protests in the strongest possible manner against any discrimination whatever in any form continuing any longer against mills located in Ontario, which have had such disastrous effects, and I am sure if the Governments of Quebec and the Maritime Provinces were represented here they would protest just as strongly.

"The Province of Ontario intervened in the application of the Maple Leaf Milling Co. and the Dominion Millers' Association, realizing the importance of the disabilities under which the Ontario millers worked being removed when the 1925 crop was available for milling, and so would ask the Board to equalize rates on flour and wheat at earliest date possible.

"Neither the Province nor the Dominion Millers, fearing it might delay their hearing, have yet responded to the invitation of the Board to take part in the general freight rate investigation, and I would ask that the Board leave the door open for them to do so at an early date if it is deemed necessary."

and a sister, Mrs. Ross Noble, of Winnipeg.

Thomas W. Gilbert GAGETOWN, Oct. 18.—(Special)—Thomas Winslow Gilbert, one of the most prominent residents of Gagetown and a member of one of the oldest and best known families of the province, died suddenly at his residence here today. Although he had been in failing health for the last two years his death was unexpected. Mr. Gilbert was for years church warden of St. John's church at Gagetown and prior to his illness took a leading part in community affairs. He is survived by his widow, three sons, John, Winslow and Reginald; his mother and two brothers, H. H. Gilbert, of Burton, N. B., and three sisters, the Misses Laura, Margaret and Grace Gilbert, of Gagetown. The funeral will take place on Tuesday afternoon at 2 o'clock from his late residence to St. John's church.

Mrs. Ernest Murray SACKVILLE, Oct. 18.—The death of Mrs. Ernest Murray, formerly Miss Hattie Rayworth, of Upper Cape, N.B., occurred at her home in Brockton, Me., Sept. 29. She was born at Upper Cape fifty-one years ago and left for the United States in 1886, where she since resided. Besides her husband, she is survived by one sister, Mrs. Herbert

Wray, Moncton, and three brothers, Worthen, K. Boston, and Ellsworth and Harold, of Upper Cape.

C. P. and C. N. Report Increased Earnings

MONTEAL, Oct. 18.—The gross earnings of the Canadian National Railways for the week ending Oct. 14, 1925, have been \$2,218,009, as compared with \$5,138,847, for the same period of 1924, an increase of \$1,079,242, or 21 per cent. Canadian Pacific Railway earnings for the week ending Oct. 14, were \$4,395,000, an increase of \$181,000.

CAR NOT STOLEN. It was reported that an automobile had been stolen from near the Queen Square Theatre on Saturday night. The detective department stated last night that a car had been taken away for about 15 minutes and returned, but that there was no trouble or anything wrong in its removal.

SAYS U. S. THIRD. WASHINGTON, Oct. 17.—The United States ranks third in air power among the nations of the world, Commander J. C. Hunsacker told the president's air board. He did not name the leading powers.

TWO DIE IN N. B. GUN MISHAPS

John O'Neil, 33, of Sorrell Ridge, is Mistaken For a Deer

Daniel Coughlin, 10, of Hartland, Accidentally Killed by Chum, 15.

Two shooting fatalities occurred in New Brunswick over the week-end. John O'Neil, 33, of Sorrell Ridge, Charlotte county, died in St. Stephen Saturday night as the result of being shot by a man named Murphy while out hunting near Sorrell Ridge on Saturday. He was mistaken for a deer. Daniel Coughlin, 10, son of Daniel Coughlin, of Hartland, died at Woodstock yesterday from the wounds he received when he was struck in the abdomen by a bullet from a shotgun in the hands of a chum, Douglas McGinley, 16, at Hartland yesterday afternoon. The older boy was explaining to the younger how the gun, which

Many Congratulate Mrs. Jas. Brittain on Her 93rd Birthday

Celebrating her 93rd birthday, Mrs. James Brittain and her daughter, Miss Bertha Brittain, were hostesses from 3 in the afternoon to 9 in the evening on Saturday at their home for more than 60 guests. Many of those who called had been pupils of Mrs. Brittain when she taught years ago in the Albert school and with them came their children, now grown to young womanhood, to honor the special occasion. Gifts were sent from friends in and about the city and from Columbus, Ohio, New Jersey, Rochester, N. Y., Boston and from Scotland. Rev. Dr. J. A. Morrison, who was her pastor for some years, said at the time Mrs. Brittain celebrated her 90th birthday that she was counted an authority as an educationist, even in the days when women were supposed to excel in nothing but home duties. Dr. Morrison was unable to call on Saturday, but sent his congratulations and good wishes. Dr. J. B. Morrison, of New Jersey, formerly of Saint John, telegraphed good wishes. Mrs. Brittain's home was a bower of flowers sent by personal friends and by groups of people. The session of "The Kirk" sent a beautiful bouquet of chrysanthemums and roses came from the High School Alumnae. W. Shivers Fisher, president of the Associated Charities, sent roses. Mrs. Brittain was very much admired in her handsome black silk gown, with rare old lace and her silvery hair as a crown of her advancing years. She was a bit weary yesterday, but otherwise was not more tired than younger people after all the excitement. THOSE WHO CALLED. Among those who called were her new minister and his wife, Rev. Mr. and Mrs. W. McN. Matthews, Rev. Rural Dean W. H. Sampson, of St. George's church, Mrs. Margaret E. Lawrence, Mrs. E. R. Taylor, Mrs. Annie Lee, Mrs. W. E. Earle, Mr. and Mrs. Morris D. Earle, Mrs. Gershon S. Mayes, Miss Emma Colwell and Miss Nettie Colwell, granddaughters; Mrs. Mabel Thompson, John E. Brittain, of the First National Bank, Boston, is at home, coming to honor his mother's natal anniversary. A mosquito both bites and stings when it attacks a human.

RHEUMATICS GOOD NEWS!

Local Druggists' No-Cure-No-Pay Offer Attracts Many Sufferers. Be fair to yourself, you sufferer from rheumatism, no matter what form. Get from your druggist a package of Rheuma, the guaranteed prescription. Use the entire bottle, and if you don't think it has given you quick and sure relief, say so, and you can have your money back. Isn't that a fair offer? What chance do you take? Absolutely none. Then get a bottle of Rheuma today. It's a reputable physician's prescription, altogether different from remedies usually prescribed, free from narcotics and perfectly harmless.
