The company has purchased the buildings occupied by the exchanges at Gagetown and St. Andrews. New circuits from St. John to Moncton and from Bathurst to Dalhousie are to be constructed. The increase in number of phones in April and May was 478, and the total of 22,000 is far beyond previous records.

The party, which now is at Fredericton on the way to Edmundston, includes S. H. White, president; F. B. Black, vice-president; H. P. Robinson, managing director; G. J. Fraser, general superintendent, and J. E. Marshall, superintendent of construction.

**JOHN McORMACK TAKES OATH AS U. S. CITIZEN**  
John McCormack, Irish tenor, became a citizen of the United States on Tuesday in New York in the state supreme court. He was accompanied by several friends. It also happened to be his thirty-fifth birthday.

**Private Police Crisp arrived in New York** aboard the steamship Francesca on June 14. Crisp bears the scars of 148 wounds. His left lung is missing, his shoulder was partly shot away and two deep gashes in both cheeks, where a stiletto pierced his face in a hand-to-hand trench duel, bear mute witness to his courage. His right arm is carried in a sling, and his left arm and head were swathed in bandages.

Crisp is one of eighteen soldiers to receive the gold Medal of Honor. This is the highest Italian award. He also wears the French Croix de Guerre, the English D. S. O. and the Order of the Italian Chevalier of Honor. Crisp lives in Ottawa.
