## MANY CHANGES IN THE STAFF

Schools Re-Opened After The Summer Vacation

Assignment of Teachers—Eight Thousand Children at Their Desks—New School Not Quite Ready for St. Malachi's Boys—Probable One-Session in Winter

As early as eight o'clock this morning the streets were dotted with children and books under arm and dressed freshly for the occasion, wended their way back to school. All were aglow with the excitement and anticipation of being placed in new quarters and having new teachers, except those, of course, who were unfortunate enough not to be graded. Dr. H. S. Bridges says the percentage of these ungraded pupils is very small this year, most encouragingly small.

Observant persons—especially if they had gone through the mill themselves—might have noticed many a mother heading towards the school buildings with her little one by the hand, looking as if they were heading it over to the lord high executioner or some other terrible personage. The graduation from babyhood to school life is invariably a heart-tug with mothers and primary teachers hold a veritable funeral service, as it were, each term commencement as parents deliver up their wondering children.

The rush back to school was big and hearty. It was an inspiring sight to sit among the buildings this morning and observe bright-eyed and thoroughly rested children greet their new teachers and take up new locations with enthusiasm. Under the general orders of Superintendent Bridges organization was immediately commenced and with the precision of army mobilization 8,000 boys and girls were re-arranged into their many units and battalions of into buildings.

Superintendent Bridges today announced the following teaching staff changes—

High School.

Miss Clara Hay takes the school formerly taught by Wilfrid Tait—Grade IX, boys.

Miss Margaret Adams takes Miss Hay's place—Grade IX, boys.

Miss Alma Gale is transferred from Victoria annex to the High school as second assistant.

Victoria School.

Miss Helen Bailey is transferred from the Centennial Grade V (girls) to the Victoria annex, taking Grade V, boys in the latter building.

Miss Maud Cumming is transferred from Grade VII to Grade VIII, taking the place of Miss Olivia Maxwell, resigned.

Miss Edith Cummings takes Miss Maud Cumming's place in Grade VII, being transferred from Grade VI.

Miss Georgia Seale, reserve teacher at the Victoria, takes Miss Cumming's place in Grade VI.

Miss Laura Myles, transferred from Grade V to Grade VI, taking the place of Miss Dowling, resigned.

Miss Audrey Mullin, absent on leave, takes the place of Miss Myles in Grade V.

King Edward School.

Miss Dorothy Mitton is placed in charge of Grade VI (boys) to take the place of Miss Lillian D. Carry, absent on leave.

Miss Frances C. Vandenburgh is advanced from Grade IV to Grade VI, taking the place of Miss Ada E. Allen, resigned.

Miss Esther G. Welsford, present reserve teacher at King Edward, is taking Miss Vandenburgh's place in Grade IV.

Miss Julia Crawford is appointed the new reserve teacher in the King Edward.

Centennial School.

Miss Ethel Cole is advanced from Grade III (girls) to Grade V, also girls, to take the place of Miss Helen Bailey, transferred to the Victoria annex.

Miss Mary Steeves takes Miss Cole's place in Grade III.

Miss Iva Yerxa, absent on leave for the last year, resumes her former position in Grade II (boys).

Miss Nora Poirweather takes the place of Miss Ethel Magee in Grade I. Miss Magee has applied for leave of absence on account of ill health.

Aberdeen School.

Miss Mahoney is appointed to take charge of Grade V, to take the place of Miss Isabelle Foster, resigned.

Winter Street School.

The new reserve teacher will be Miss Winifred Green. Miss Dorothy Mitton, the former assistant, has been transferred to King Edward, Grade VI.

LaTour School.

Miss Amy Napier has been placed in charge of Grade I to take the place of Miss Jessie Hart, who has been transferred to the household science department. Miss Florence Perry takes Miss Napier's place.

Albert School.

Miss Newcombe has been appointed assistant in place of Miss Fitzpatrick, resigned.

Household Science.

Miss Northrup has been appointed by the board to succeed Miss Kate Bartlett as principal. Miss Jessie Hart of LaTour school is to succeed Miss Northrup.

There are no changes in the manual training staff, Waterloo street.

The Sisters' Schools.

Sister Redemptor to be principal of St. Joseph's school in place of Sister Alphonsus.

Sister Patricia to be principal of the St. Thomas in place of Sister Redemptor.

Sister Immaculata to St. Thomas', to take place of Sister Patricia.

Sister Fiducia transferred from St. Peter's to take the place of Sister Immaculata.

Notes.

Doctor Bridges told The Times today that if the fuel situation did not clear up it was probable the one-session idea, which was inaugurated with success last winter, would be put into effect again this year.

The new St. Vincent's High school building, Cliff street, being yet unfinished, the St. Malachi's hall boys who are to occupy the upper rooms temporarily, could not make the shift today. The change will be made in October.

Today's reopening disclosed considerable congestion in the LaTour and Al-

**HOWARD PETERS**  
GIVES UP LIFE

Death of Another St. John Man In War Reported—News of Other Casualties

A former St. John boy who heard the call of battle and answered it has paid for his devotion to the empire's cause

with his life. News of the death of Howard Peters in action in France has been received. He was but twenty-one years old.

Private Peters, who had been employed with Simon Jones, Ltd., until about three years ago, when he left for the United States, was employed in Roxbury, Mass., when the recruiting campaign for the 28th Klites was extended to the neighboring states. He promptly enlisted and, after a period of training in Fredericton, went overseas with them. He was transferred to another unit and reached the front only a short time ago, his death following soon after his entry into the battle zone.

Private Peters is survived by his wife, one child, his mother, Mrs. William McDonald, now residing in Charlottetown, and two sisters, Mrs. W. Tully of the same place and Mrs. Bert Winchester of 82 Britain street, this city.

Sergeant J. McCarthy.

Mrs. Elizabeth McCarthy, 245 King street east, was notified this morning from Ottawa that her son, Sergeant James McCarthy, who was reported shell-gassed on Thursday, is now reported seriously ill in a hospital in France. Sergeant McCarthy crossed overseas with the C. M. R. and was transferred into another unit. He is twenty-four years old and prior to going overseas was employed with his mother in Union street as a hair dresser.

Alfred A. Parks.

Mrs. Dow Parks of Millidge Place, off Paradise row, received word today that her twenty-five-year-old son, Alfred A. Parks, formerly a teamster in Mrs. Ingraham's employ, had been placed in No. 4 hospital at Comiers, France, suffering from concussion. Pte. Parks joined in 1916. He was shot in the head in August, 1917, and had only recently been discharged—a ten months' period of recovery.

Sergeant W. A. Hamilton.

A telegram was received this morning by Mrs. Jno. R. Hamilton, Britain street, informing her that her son, Sergeant Wilbur Allan Hamilton, had been officially reported admitted to hospital suffering from gunshot wounds in left leg. Sergeant Hamilton has been three years in the war, and four times wounded. His friends will anxiously look for further particulars and hope the young soldier's wounds will not prove very serious. A brother, Winfield Scott Hamilton, recently returned from overseas, having been invalided home.

Pte. E. J. Menzies.

Moncton, N. B., Sept. 3.—Mrs. William Le Blanc of Moncton has received word that her only brother, Pte. Ernest J. Menzies, died of wounds on August 14. He was born at Shawmut, Me., and was twenty-four years of age. He formerly lived at Rogersville, N. B.

buildings, West Side. The superintendent of schools will present all these conditions to the board of school trustees in a general survey very soon.

Again the trustees' office was crowded with parents and children this forenoon securing entrance permits at the eleventh hour. More than 100 permits were issued before 10.30 this morning.

## Men's Fall Hats Are Here!

THERE IS A VAST DIFFERENCE between a low grade hat and a good one. It is better economy to buy one that you know something about, and pay the right price for it, than to stick to your old accustomed price and get a vastly inferior article.

Therefore we suggest

### MALLORY HATS

We know all about them and know they're good hats. We like to sell them because we know our customers get long wear and full value. The new Fall models show conclusively the results of putting fine material into the hands of expert workmen.

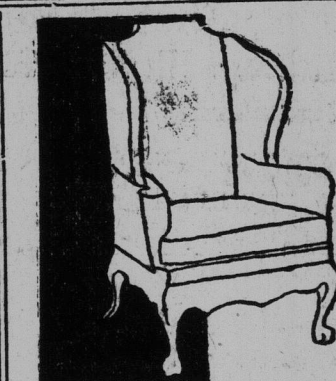

We have the latest styles in the newest colors and we want to show them to you. You will find them reasonably priced at \$5.50.
