Kennel. Notes English Judge. William H. Reeves, of London, the most noted judge of the terrier dog in all England, is to judge at the all-breed show in Boston in April, and at the Chicago show.

Mr. Reeves specializes to a great extent on the terrier dog, but there are very few breeds upon which he is not entirely capable of passing judgment.

Milford of Philadelphia, Scottish and West Highland white terriers; John Bowditch, of Framingham, amateur sportsman and master of the best Airedales in America, the Welsh terrier; Arnold Lawson of Boston, the English bulldog; George S. Thomas of Hamilton, Boston and Manchester terriers.

A dog show of any magnitude would not be complete without the presence of James Mortimer of Hempstead, L. I., in the ring. For years he has been one of the most conspicuous judges in any states. He and Mr. Reeves are temporarily listed as all-round judges for the Boston show. In addition to these named there will be judges for Dachshunds, pointers, setters, beagles, and some of the more common breeds of dogs.

It is said that the total number of judges will be about forty.

LARGE AUDIENCE IN OPERA HOUSE ENJOY BEVERLY OF GRAUSTARK

George Barr McCutcheon's romantic four act comedy drama, "Beverly of Graustark" was given its first presentation in this city last evening in the Opera House before a very large audience, which seemed well pleased with the performance, for they were generous with appreciative applause and gave repeated curtain calls.

The staging of the play and the costumes of the various characters were a source of commendation, while the story, familiar to a great many who had read the novel, called for some clever professional work from many of the cast. Although it does not follow the story in the book very closely, the theme of the author is clearly defined and the characters are distinctly true to the fiction pages.

Miss Margaret Shays played the title part, a dashing, pretty and coquettish American girl, Beverly Calhoun, and provided a charm and grace which had much to do with the successful portrayal of the character and her acting at all times was natural and pleasing.

Boyd M. Turner was also very clever in the enactment of his role of Marlan, commander-in-chief of the Graustark forces, guardian of Miss Beverly. She is one of the most efficient in the cast, supported the greatest share of the comedy provided during the evening in an excellent manner as he is introduced to the audience, and in the capable care of Lawrence Evans, and in his picturesque garb, he was at all times a favorite and had much to do with the success of the piece.

In addition to being well adapted physically for the role, he has a fine voice, which he uses to good advantage. Miss Radinoff made a quietly yet effective Mrs. Lawrence Calhoun, and she could be desired. Others who aided materially in the production were Miss Eva Blandale and J. J. Fowter.

NEWBRO'S HERPICIDE DID NOT DISAPPOINT. Don't become discouraged simply because your hair falls and is thin, weak and wispy, until you have tried Newbro's Herpicide. 'Til first began to use Newbro's Herpicide three years ago, after a spell of fever, which caused me to become almost bald. Herpicide soon restored the quantity and natural color of my hair. I feel lost without a bottle of Herpicide in the house. This Mrs. Anna C. Lynn, 211 Second Ave., Louisville, Ky., tells in her own words how she lost her hair and how she got it back. Mrs. Lynn's experience has been duplicated a thousand times and can be repeated thousands more.

Newbro's Herpicide keeps the hair and scalp in a perfectly healthy condition. When the hair falls and has not been destroyed by the ravages of the dandruff germ, the hair will resume its suspended growth.

Newbro's Herpicide kills the dandruff germ and checks falling hair. The itching of the scalp stops almost instantly. Others imitate and make similar claims, but the original dandruff germ destroyer is Herpicide.

SCHOOLS QUESTION A LIVE ONE FOR MR. BORDEN TO HANDLE

Ottawa, Feb. 5.—The presence of Archbishop Langevin, of Manitoba, here today, and the fact that Armand Lavergne is coming here tomorrow in connection with the terms for the Manitoba boundaries, in so far as they affect separate schools, is indicative of the fact that the fight of the Nationalists and the hierarchy for a clause in the boundary extension bill, preserving the rights of the Roman Catholic church to separate schools in the territory to be annexed, is waxing warmer.

Mr. Borden's Quebec contingent emphatically declares that they will not submit to the passing of any bill which does not safeguard the rights of the Roman Catholic minority in Manitoba, and if the measure comes down to the house without the required clauses they will move to have it inserted, thus precipitating a serious split in the party ranks.

Announcement is likely soon to be made in parliament that the government will expend \$30,000,000 in construction of the new Welland ship canal, a 22 foot waterway to the Great Lakes, which means that the Georgian Bay canal scheme will be side-tracked for some time at least. It is thought to be the largest item in the supplementary estimates.

It is said in Ottawa that the rumor that the government has actually signed the Courtney Bay contract is premature and that it is understood that the work will be done by Norton Griffiths & Co., the minister of finance will not present his budget until the first of March in order to have the fiscal period the same as that of his predecessors.
