

Walter Shields, News superintendent of the United States Government Bureau of Education, was one of those who have died.

Many Eskimos were found frozen to death when their cabins were broken into by killer workers. Seventy soldiers at Fort David, near here, were taken ill.

Holy Cross Hospital, which had been closed at Holy Cross, a Yukon river point, has been re-opened to handle the influenza cases. All private hospitals are crowded.

SEN. ROBERTSON MINISTER OF LABOR

Hon. T. W. Crothers Resigns Because of Ill-Health.

It was officially announced Thursday that Hon. T. W. Crothers, Minister of Labor, now en route for California, has handed his resignation to Sir Robert Borden, and that it has been accepted. Hon. Crothers, who has represented labor in the Cabinet for some time past, in addition to acting as Chairman of the Canada Registration Board, has been appointed Minister in succession to Mr. Crothers, and was sworn in at noon Thursday. Mr. Crothers resigned on the grounds of ill-health.

New Minister's Record.
Senator Robertson, the new Minister, has been closely in touch with the work of the Labor Department since entering the Government a year ago. It is generally recognized that he has been largely instrumental in promoting industrial peace throughout the Dominion during the war period.

Some of the more important labor disputes which he was successful in adjusting were those of the Nova Scotia miners last January, and the Canadian Pacific Railway maintenance-of-way men, involving 8,000 employees, last February. His was able arbitrator in the T. and N. O. Railway dispute in April last, and his efforts which resulted in the successful settlement of the Winnipeg civic strike will be remembered.

Advocate McAdoo Award.
Senator Robertson was also largely instrumental in settling the strike in the shipbuilding yards on the West Coast, and the settlement reached at that time has proven a most satisfactory one. He was the promoter in Canada of the adoption by Canadian railways of the McAdoo Award and its amendments, which is of such material benefit to railway employees throughout the Dominion.

Senator Robertson will be the second minister with a portfolio holding a seat in the Senate, the other being Sir James Lougheed, who heads the Department of Soldiers' Civil Re-establishment.

RECEIPTS FOR WAR WORK.

NEW YORK, Nov. 7.—The entire gross receipts of the National Horse Show, which opens November 11 in Madison Square Garden, will be donated to the United War Work campaign which starts on the same date. It was announced here tonight.

Under a previous arrangement the proceeds of the show were to go to the American Red Cross, but officials of that organization withdrew their claim in favor of the war work campaign. The Red Cross realized \$55,000 from the 1917 show.

NO KINGSTON SENIOR HOCKEY.
KINGSTON, Ont., Nov. 7.—The hockey situation in Kingston is as yet unsettled. "C" Battery R.F.A. has decided to enter a team in the intermediate O.H.A. This battery has Walsh, Kingston, as well as "Dutch"

Lyons and Sardi, of the Montreal Shamrocks, while several other hockeyists with the battalion will try out for places.

The Kingston Juniors will have to reorganize the team this year, with Alex. Connell, the goal keeper and

"Red" McKelvey, defense man, as a nucleus. Queen's is undecided regarding hockey, but will likely have junior and intermediate teams. It is improbable that Kingston will have any senior hockey this season.

Gathering for a service of praise conducted on Parliament Hill by massed choirs of the Capital, just as possible, has been launched by the Ottawa Ministerial Association. When the news that peace had been declared is flashed out, every choir singer in Ottawa and every one else willing, is invited to make their way to Parliament Hill, where led by a band, they will take part in the singing of two well known hymns "To God Our Help in Ages Past," and "All People that on Earth Do Dwell." Regardless of what hour of the day the glad news is received, the big service of praise on Parliament Hill will commence with as little delay as possible. It will be very brief.

The Ministerial Association feel that no more appropriate method could be adopted to show the deep feeling of thankfulness and joy in the hearts of all at the coming of peace.

His Lordship Bishop J. C. Roper of the Anglican churches in Ottawa is heartily in accord with the idea as shown by his statement to The Journal Dailies as follows: "I shall be glad if in this way religious thanksgiving shall find a place at the first meeting of our public rejoicing and I hope that Anglicans, especially members of Anglican church choirs will be there to join them."

The Director of Chaplain Services in Canada is also fully in accord with the proposition and respectfully requests that such steps be immediately taken as will give to any spontaneous outburst of religious character. Representatives of the heads of the various churches, Protestant and Roman Catholics concur with the Director of Chaplain Services.

Lard, Flour and Pork Are Removed by Carload.

By Leased Wire to Journal-Press ON THE BATTLE FRONT IN BELGIUM, Tuesday, Nov. 5.—German soldiers at one point during the retreat in Belgium carried off a stock of flour, lard and pork purchased by the Belgian relief committee and destined to feed the Belgian, Syrian, population. Sixteen non-commissioned officers entered a flour mill and ordered the German soldiers to load six box cars with flour valued at \$100,000. The relief committee's stores then were robbed of 45,000 pounds of lard and 15,000 pounds of pork.
