Fables On Health

**NEURALGIA? GET A DOCTOR**  
NEURALGIA of the face may be attributed to many different causes.  
Some of these are abscessed teeth, eye strain, diseased conditions of the nose or adjacent cavities. It is aggravated by constipation and other causes which impair the general health and increase nervous irritability.  
It is accompanied by much pain; tearing, boring pains on one side of the face, nausea, twitching of the muscles of the face, and shooting pains, which radiate from different points, at the front of the nose, the eye, forehead, ear and from behind the ear.  
Hot poultices or hot cloths applied to the face afford some relief. A more definite relief, however, is obtained by the injection of alcohol into the nerve trunk or its vicinity. This calls for the services of a physician.  
Frequently the disease returns.

Adventures of the Twins

By OLIVE ROBERTS BARTON.  
THE JACKDAW BIRD ARRIVES.

"Hello! Is this Doctor Bill's hospital?" called a bird with a croaky voice.  
Nancy threw open the door and looked out. "Yes, it is," she called. "Who is it and where are you from?"  
A dark little bird, not as black as a crow nor so big, flew down from a tree and landed on the edge of the roof.  
Nancy laughed. "Now I know 'all about you," she said kindly. "Come on in and see Doctor Bill. You seem to be hurt."  
She picked him up on her finger and carried him inside.  
"Hello, here!" cried Doctor Bill when he saw the visitor. "It isn't Johnny Jackdaw. What has happened to you, Johnny? Been stealing again? You are as bad as your cousin, Mike Magpie! What was it this time? A diamond necklace?"  
"If you'll just fix my toenail first," said Johnny Jackdaw. "I'll tell you all about it." And he stuck out his foot, which the little doctor man examined carefully.  
"Why the nail is gone!" he exclaimed. "How did that happen?"  
"I had a brilliant idea," said Johnny Jackdaw. "I decided to wait until nearly sundown when the other birds were thinking of going to bed, then slip back and investigate and see what the shiny thing was and keep it for myself."  
"To Be Continued."

Southern Philosophy.

You can't purify de tenant by paintin' de house.  
Some people impart information very much as a porcupine sheds his quills.  
If yo' wife am a good cooey tell her so; if she ain't, talk about de weather.  
Don't depend on de world to gib you an epitaph; write yo' own while yo're livin'.  
Ain't don't waste no time disputin' 'bout de hereafter; it's de hereas dat bothers me.  
If you can't say a good word fob yo' neighbor, don't stay in de neighborhood.  
Hits de man wid de narrow mind dat's generally most anxious to gib away a piece of it.  
Knowin' when to quit is a mighty good thing, but knowin' when to stop to staht somethin' is still better.  
Don't complain if de worl' don't suit you; de chances are you don't suit de worl', but it has to stand it.—Boston Transcript.

BETTER IN EVERY WAY

After Taking Lydia E. Pinkham's Vegetable Compound  
Ingomar, N.S.—"I took your medicine for a run-down condition and inward troubles. I had pains in my right side so bad at times that I could not walk any distance. I saw about Lydia E. Pinkham's Vegetable Compound in the newspapers and have taken five bottles of it. I am better in every way and you can use my letter to help other women."—Mrs. ALVITA M. PERRY, Ingomar, N.S.

HEART TROUBLE SHORTNESS OF BREATH

Mrs. Geo. E. Bowman, Morrisburg, Ont., writes:—"I am writing you a few lines to let you know of my experience with Milburn's Heart and Nerve Pills. Two years ago I became very poorly with my heart and nerves and whenever I took the least little bit of exercise my heart would start to jump and flutter. I could not walk up stairs without having to sit down and rest before I was half-way up, on account of my breath becoming so short.  
I commenced taking  
**MILBURN'S HEART AND NERVE PILLS**  
and in no time I felt a great improvement, and can now heartily recommend them to all those who are troubled with any affection of the heart."  
H. & N. Pills are for sale at all drug and general stores; put up only by The T. Milburn Co., Limited, Toronto, Ont.

Get rid of constipation by internal cleanliness

**HEADACHES, biliousness, sleepless nights, heaviness, are Nature's warning that intestinal poisons are flooding your system. If this is allowed to continue, you may become a victim of serious organic disease.**

Laxatives and cathartics do not overcome constipation, says a noted authority, but by their continued use tend only to aggravate the condition and often lead to permanent injury.

**Why Physicians Favour Lubrication**  
Medical science has found at last in lubrication a means of overcoming constipation. The gentle lubricant, Nujol, penetrates and softens the hard food waste and thus hastens its passage through and out of the body. Thus, Nujol brings internal cleanliness.

Nujol is used in leading hospitals and is prescribed by physicians throughout the world. Nujol is not a medicine or laxative and cannot gripe. Like pure water, it is harmless.

Take Nujol regularly and adopt this habit of internal cleanliness. For sale by all druggists.
