Gleanings of City and Frev. cial News in a Condensed Form.

From Tuesday's Daily. -Albert Hawthorne, a bass soloist well known in Victoria musical circles, is now singing in San Francisco with

Haverly's minstrels. -John McDonald, arrested on Wednesday for stealing a duck from Peter Hansen, was discharged by Magistrate

Macrae this morning. made the evening an enjoyable one.

-Sister the Reverend Mary Damien, after a long and painful illness. The at 9 o'clock, mass being celebrated in ed, and coal will be shipped to Victoria the convent chapel.

-Henry Welsh, alias Michael Welsh, alias Kelly, who has spent 20 out of the last 24 months in the provincial jail, and who knew so much about the "plant" at the jail, was in the police court this morning. He was convicted of supplying liquor to Indians, but was discharged as he promised to leave town.

-A very successful social and concert evening. The farce "Popping the Question" proved highly amusing and the musical programme, in which a number of well known local singers took part, was thoroughly enjoyed by the large crowd present. Refreshments were served during the evening.

Ridge boy, fell off Porter's wharf yes- from the dry climate. terday afternoon. George McKinley, manager of the wharf, and Bridgeman Carroll, hearing the cries of the boy, when he got home.

-Dr. G. H. Duncan, the city health vacation in the schools to have all the rooms and books fumigated. Sanitary Inspector Conlin has a staff of men busily engaged at the work, which when completed will rid the schools of any germs of infectious diseases that may have found their way to the different schools of the city.

-A Port Townsend dispatch says: "The outlook for the shipping business is very bright at the present time. High freight rates are offered and all available vessels have been chartered. There is a big demand for vessels to carry lumber to foreign and domestic ports. Shipping agents report a stronger demand for vessels and a better freight rate than at any time since 1889."

-Each of the opposition Sound boats, the Sehome and the Rosalie, endeavored to secure the lead out of the harbor this morning, with the result that they got side by side and in this position went out into the Straits. The Schome was very near Sehl's point at one time, and the Rosalie was crowded into the shore at the other side of the harbor, near use. The anair nessed by many people on the wharves.

-The steamer Willapa, Captain Geo. Roberts, arrived from the north yester-Among the passengers was Captain William Moore of this city, one of the many who have confidence in the future of the Yukon country. He says the prospects are brighter than ever, and the miners are doing well. Had the government of British Columbia built a trail into the country, Victoria would now have the trade of about ten thousand miners and many of them would come here to winter

-A sad accident occurred at Wrangel Topeka, on her last trip north. Henry Yuhler, a brewer of that place, had been at Seattle undergoing treatment for rick Clarke and W. S. Norman. The some time, and, feeling cured, took the Topeka for his home When the boat touched at the landing Yuhler went ashore and after greeting a number of light and power, as well as water, elective man to-day, for the benefit of fire wardens. The jacket is used friends most familiarly, left the landing and walked to his home, met his wife, and after greeting her, suddenly fell dead at her feet.

-Sergeant Walker, who has been investigating the robbery of "Frenchy" Lucky, the West Coast merchant, has at a wholesale house for his daughter. was sentenced to four years, and Goodwas carrying around with him on the Lucky to wander around town with the prone to indulge in. money, about \$140, which was stolen. Lucky can remember nothing that happened during the night, all he knows is that his money departed.

Co., has received advices from Yokohama that give very discouraging accounts of the sealing movements in that by vessels from Yokohama last year, a number of the owners are selling their send their vessels out next season. The making preparations for next season is the Golden Fleece. A number of hunters, who have wintered at Yokohama, have written to Capt. Cox and other owners asking for positions on Victoria schooners, while other hunters will come over here and endeavor to secure posi-

From Wednesday's Daily. -A movement is on foot to organize

-R. J. Bealey & Co. have incorporated as a limited liability company, with a capital stock of \$50,000.

-Mr. Thomas J. Cleeve has purchas-Cold Storage Co. It is said that he will establish branches in Victoria, Seattle

with headquarters at San Francisco.

-The B. C. Pioneer Society at their last meeting decided to have their annu-December, and appointed a banquet committee to make the necessary arrangements.

-Another foreign company, the Dixie M. 1., gave a social dual pleasant party Kootenay. The capital is \$500,000 in Wallace Society. Mr. Pineo being him-

-Mr. Dennis Jordan, proprietor of the of Saint Ann's Convent, died yesterday | West Wellington mine, was in the city yesterday. He reports the railway funeral takes place to-morrow morning from his mine to Nanoose bay completin a few days.

> -Messrs. Chandler and Erskine addressed the meeting at the Burnside hotel last evening F. Linnekar occupied the chair. A resolution was unanitive of the Seattle Post-Intelugencer, E. mously carried favoring the establishment of a creamery in the district.

-The old fire bell has been removed A very successful social and concert the new hall at Oaklands. They have a tion because the people realize that it is was held at St. Barnabas' church last gong connected with the fire alarm system in the Kingston street house, and the bell was consequently unnecessary. -Mrs. W. Hawksly, for years a resi-

dent of Victoria, died in Vernon on Wednesday and was buried there on Friday. She was suffering from lung disease, and was taken to Vernon a few -Charles Wishart, a young Spring weeks ago by her husband to benefit

-A scow loaded with rock from Keefer's quarry, Gabriola island, filled and jumped into a boat and went to his sank on Thursday owing to the unusurescue. The youngster appeared none ally heavy wind. The scow was at the the worse for his ducking, his only fear island wharf at the time, and the rock being that his mother would "kill" him was about to be conveyed to Victoria for use on the new postoffice building.

-J. J. McCaulay and W. D. Leak officer, has taken advantage of the short returned from Alaska by the Al-Ki. They have been prospecting and mining on the Yukon, having travelled from the source of the river to its mouth. About 1,600 miners are engaged on the Yukon this year. Some of these have done well, while others are "dead broke.'

> -Th fire wardens met last evening to investigate the statement that somebody had been tampering with a fire alarm box. Several witnesses were examined, who said they had seen somebody opening box 25, but they could not give a description of the party. Another meeting will be held in a couple of weeks, and in the meantime inquiries will be

-The Dominion government steamer Quadra was placed in the dry dock at Esquimalt this morning to find out the extent of the damages she received by grounding on Fulford reef. Inspector Thomson, Captain Gaudin and Captain Walbran made a careful examination, and found that her injuries are very slight. About half a dozen plates were coast points, after encountering unususlightly dinted. The Quadru will not be repaired at present, as the deck is re. quired for the Mathilda.

-A new United States revenue cutter is to be built at a cost of \$200,000, and ing a store at Quatsino, where considthe bids must be received by the department not later than December 21. The vessel must be completed and delivered at San Francisco not later than January 1, 1897. She is expected, when completed, to be the finest revenue cutter in the service. It is almost certain that ing. Three priests from San Francisco the cutter will be built of Puget Sound are conducting the services, the joss lumber, and it is quite likely that she house being gaily decorated for the ocwill be built on the Sound.

-Application will be made at the next session of the provincial legislature for just after the arrival of the City of the incorporation of the Rossland Land, Water and Light Company. The applicants are Messrs. John A. Finch, Patobjects of the company are to supply water for domestic and fire purposes to the town of Rossland, and also electric tric light and electric power to mines adjacent. The water is to be taken from Stoney Creek, Little Stoney Creek and Sheep Creek.

-The assizes closed last night. The jury found Lee Heng Yim guilty of keeping a gaming house. Three Chinhis suspicions as to who got the money ese witnesses swore that they saw him taken from the old man, but in the all last November in charge of a fan tan ese witnesses swore that they saw him sence of positive proof he cannot take table at 43 Fisgnard street. He was any decisive action. He has learned sentenced to nine months in the penithat Lucky had purchased a lot of goods tentiary. Dolphing, for housebreaking. who is shortly to be married. These he rich, for forgery, to two years. Mr. Justice Drake took occasion to suggest night he lost the money. The friend that the police should make strenuous took the goods and placed them where efforts to put down gambling, as it was they would be safe but he allowed a vice which the young were especially

-Mr. William McCullough, the well known mining man and assayer, has returned from the Kootenay. What he has often told the people of Victoria be--Capt. J. G. Cox, of E. B. Marvin & fore he repeats now, viz., that we have the most wonderful mineral country in the world. The Slocan he describes as being of dazzling richness, and the many place. Owing to the small catch made friends of Mr. McCoullough will be glad to hear that he is the part owner of a very excellent mine in that district. The vessels, while others state they will not Kaslo-Slocan railway, he says, is one of the finest pieces of work he has ever only British sealing schooner that is seen, no trouble or expense having been spared to make it complete, safe and durable. Mr. McCullough's deliberate opinion is that the British Columbia mines will be paying their owners hand some divdends after the much vaunted "Kaffirs" are cold and dead.

-W. Thompson, of Saanich, who left here about a year ago, is sending home encouraging reports from Johannesburg. The climate there is delightful, in this city a branch of the Protestant high wages. Crowds of people are going into the country, but it is so extensive that the increase in the population is un- it went off. The case was remaided noticeable. The gold mines are turning out well, and the whole country is in a prosperous condition. Mr. Thompson has at present a situation with a railed the plant of the Texas Lake Ice and way company at a salary of \$150 a month and board. Another British Columbian. Harry Read, is also doing well. on December 10th prox, and will con-

people there treat with contempt their funny laws and peculiar ways.

-The Scandinavian society, Valhalla, organized a few months ago, has now well greeting and salute with which they over eighty members on the roll. Entertainments are held every Thursday evening. In the course of a couple of weeks a Scandinavian play is to be presented by the members of the society. al banquet on Thursday, the 12th of Mr. George Amorsen, the secretary, says there are about four hundred Scandinavian residents in and about Victo

-Hugh Miller, the Scottish geologist, -A. O. U. W. hall was well filled last evening, when Seghers council, Y. Mining and Milling Company, of Spokane, has been registered unuer the laws of the province, to carry on operations in last night's meeting of the Sir William Except Party. self an enthusiastic geologist, is a great admirer and student of Hugh Miller. He eloquently described the work and char- es the collection will extend over two or acter of the renowned stone mason ithf Cromarty. A hearty vote of thanks was tendered Mr. Pineo for his interesting lecture. A concert under the direction of Mr. Clement Rowlands will be | days of trouble among the Indians on held next Friday evening in the Sir William Wallace hall.

> -In an interview with a representa-O. Sylvester, mine owner and publisher of the Juneau Searchlight and Sitka Alaskan, said: "The boundary question is not as much discussed as many from the Kingston street fire station to imagine, and receives very little attenthan any other place, and should get the credit for it. Of course it will get the trade, and if it had been otherwise the trade would have gone to Victoria. To understand the sentiment on the boundary question it must first be considered that Alaska is composed of people from every part of the world. There are many Americans and they are in for holding every inch of territory, but the others are only luke warm, and some are opposed to us. These last argue that the Canadian government would be more liberal toward building roads and trails, and they mention the Cariboo road as an example. a spend over ato

> > From Thursday's Daily. The propeller for the steamer Mathilda was taken from the mould this afternoon. The cast was a successful

> > -A creamery meeting will be held at the school house, Royal Oak, to-morrow (Tuesday) evening, 26th inst.

-Miss Selina F. Smith is the recipient of a letter from her Excellency the Countess of Aberdeen, highly commending the training of her pupils in the theory and practice of music.

-Rev. Dr. Campbell uffited in marriage at the manse, 125 Quadra street, this morning, Lyman Saltmarsh Burrell, of Tacoma, and Lela Florence Evans, of Seattle.

been appointed to the general command of the revenue fleet on the Pacific coast, in number, the 100,000 or more white who are indirectly interested in the fruit industry. All who have green fruits and fruits in jars are invited to bring them along, especially new varieties and those not named, and the committee on nomenclature will endeavor to name

> -The eighty-third drawing for an appropriation in the Vancouver Island Building society took place on Saturday evening at the office of Secretary Williams. Shares 249 A and B, held by W. H. Huxtable, were drawn, and he is therefore entitled to \$2,000.

> -Collections were taken up in a number of the city churches yesterday i aid of Jubilee hospital. At some of the churches previous arrangements prevented the collections from being taken up yesterday, but they will be taken up on some future Sunday. At other churchthree Sundays.

> -There have been vague reports around the city during the past few the west coast. One report was that a man had been badly cut with a knife. Captain Foot, of the steamer Mischief, which arrived on Saturday evening, heard of some trouble at Nootka, but he could not learn the nature of it. All the Indians would say was "Hi yub Wah Wah."

-The provincial board of horticulture met in the office of J. R. nderson, deputy minister of agriculture, this afternoon. All the members were present. Several important matters relating to horticulture were discussed, and the meeting adjourned until to-morrow. The members of the board are: Colonel Baker, J. R. Anderson, Victoria; Andrew Ohlson, Oaklands; Theodo Salt Spring; Henry Kipp, Chilliwack; Thos. Cunningham, New Westmins er, and Thos. G. Earl, Lytton.

-Mrs. Margaret Morison, a young widow, whose father is a prosperous farmer living near Port Angeles, was arrested on Friday afternoon by Seattle customs officials and charged with smuggling opium. The opium is valued at \$100, and was found concealed about her wearing apparel. She was accompanied by her 12-year-old daughter, on whose person four pounds of opium were discovered. While going across from Victoria the inspector imagined her figure unusually plump, and in casually inspecting her garments five tins of the lrug were found ingeniously secreted in her balloon sleeves. At the custom house she fainted and went into hysterics, and requested that her daughter be sent outside. Hardly had the child reached the sidewalk than she began crying and threw a dozen cans of opium into a vacant lot. Later Mrs. Morrison, in consideration of similar charges not being pressed against her daughter, pleaded guilty, and in the absence of bondsmen is detained in prison. Officers claim the woman has been regularly engaged for several months in smuggling onium for a local Chinese firm.

THE TIMES LIKES GROVER.

The British Thunderer Thinks He Can Get a Third Term.

London, Nov. 25 .- The Times this morning editorially expresses the opinion that it was not President Cleveland who was overthrown in the late elections in the United States. According to the editorial, in the recent Democratic defeat the party was completely routed, but the prestige of the president was street, which both Cline and Dewar increased rather than diminished. It is not unlikely, the Times continues, that if the Democrats will rally under Cleveland he will lead them to victory in made ready to back his refusal by draw- the next presidential contest, the Republicans having no striking policy to atabout as large as peas. Cline knocked tract popular sympathy. It is this position of parties and men which gives unusual importance to Secretary Carlisle's recent speech at the dinner of the New York chamber of commerce. If Cleveland is able to bring the party into line with the aspirations expressed by Carlisle, he may yet open a new chapter in American history.

YACHTING. NEWNES WANTS NOTORIETY. New York, Nov. 25 .- A special to the Herald from Paris says: "You may say I am a possible-in fact, a probablechallenger for the America's cup." So spoke Sir George Newnes to a correspondent who saw him just after his arrival from London, en route for the Riviera.

have always found them perfectly hon- is interfered with Corbett and Fitzs orable. We have always been able to arrange matters to our mutal satisfaction. The contest between the British Chess Club, of which I am president, and the Manhattan Chess Club, for instance, was carried through in a perfectly satisfactory manner. I have not the slightest doubt that the chess match which I am arranging between representative British and American players for January next will pass off equally satisfactorily on both sides.

"To return to the yachting question. Dunraven has signified his intention of returning to New York to settle the question at issue. I trust it will be settled now. If Lord Dunraven decides to challenge again for the cup I shall have nothing to say, as I look on the contest for the cup as international, not a personal matter. I should not think in a day or so for New York to see of challenging unless I had the support him.' and backing of the representative yachting men of the English nation. And if any Englishman, who is a representative yachtsman, throws down the gauntlet, I shall be quite ready to recognize his prior rights. All the same, if I do Stuart. challenge, I hope to give the Americans. "I ha a good race and good sport. I think we English should have the cup, and assuming I challenge, I shall take the very best advice that is to be had and turn out the very best boat that can be turned out."

LACROSSE. A FINANCIAL STATEMENT. The executive of the Triangle lacrosse club met a few days ago and having received from the treasurer, Mr. Lee, a financial report for the year, referred the same to a committee to be audited. The committee found the report accurate, and from it the following statement, showing the total receipts and disburse ments for the year, was prepared. The fact that the club can show a clear sheet, with a few dollars to the good. is, under all the adverse circumstances, matter for congratulation. It would have been entirely satisfactory, as there would have been a big balance to the good, had the match scheduled for the 24th of May been played, as on that day, with the great crowd in the city, the receipts would undoubtedly have been very large-almost, it is believed, large enough to have cancelled the indebtedness of the old Victoria lacross club, to which purpose the surplus of the Triangle club was pledged. The statement below will show that the af- Some Changes in the Marks Received fairs of the club have been managed on as economical lines as was possible, a policy, by the way, which was forced on the executive by the very general demand of the public for a reduction of the price of admission from 50 cents to 25 cents. The executive ordered that the small surplus remain in the hands of the treasurer for the use of the club in reorganizing next spring. The following is the statement:
