BRYENTONVILLE

The Stork paid a visit to the home of Mr. and Mrs. Geo. Hogan and left a bouncing baby boy.

We are glad to see Mrs. William Bell out again after her recent severe illness.

School closes here on Friday and both teacher and children are wearing smiling faces.

The roads are in excellent condition for wheeling and the young men are taking advantage of them.

Howard Bryenton and crew have captured a very fine seal.

Messrs Asa Parks, Harold Delano and Edison Bryenton spent a very enjoyable evening at the ice cream parlors one evening last week.

Quite an excitement was caused on Friday evening as the choir were returning from practice when a large ground-hog made its appearance near the church.

Sad Drowning at
Newcastle Monday

Little Arthur Jones Drowned While Bathing.

Arthur Jones, the 14 year old son of Mr. Harry Jones of Newcastle, was the victim of a sad drowning accident on Monday afternoon which marred the observance of Dominion Day. Two others had a narrow escape. With his younger brother and sister, Jones was swimming in the river a few hundred yards below Newcastle. The two ventured out into deep water and Arthur, according to an eye witness, made an attempt to save his brother and sister. He too became exhausted, and although parties saved his brother and sister, he was drowned. Arthur was a bright young fellow and his death, under such tragic circumstances cast a gloom over the community. The family are grief stricken. His father is engineer in Hickson's mill. His mother, one brother and one sister also survive.

The body was found yesterday.

Terrible Accident
In Chatham Mill

Andrew Paulin Was Instantly Killed in Snowball Mill.

Another terrible accident occurred at Chatham, last week, when Andrew Paulin aged 16 years was instantly killed while working in the J. B. Snowball Co. mill.

Young Paulin worked near the trimmers' table and his work was to clear away the deal ends that fell from the moving platform. He got on the moving platform for some reason and must have tripped when near one of the revolving trimmers, for he fell directly across one of them and in an instant he was almost cut in two. The saw projects about six inches above the platform and it entered his right side cutting from the backbone more than half way round the abdomen. Death was instantaneous stated Dr. Duffy who was summoned at once by R. A. Snowball and who arrived a few minutes after the accident.

The deceased was a bright boy and a great favorite with all the men, so that the terrible misfortune has cast a gloom over the whole community.

He was a son of Prudenc Paulin of Chatham.
