Mr. Donohoe was a native of County Cork, Ireland, and was about 72 years of age. He was a well known citizen and many friends will regret to hear of his death. STOLEN KEY FOUND.

The key which was stolen from fire signal box No. 23, corner King and German streets, was picked up on Thursday at the head of King street and returned to the superintendent of the fire alarm. TRAINS ARE RUNNING.

But Are Not on Schedule Time—Some of the Branch Lines Still Tied Up.

The trains are getting straightened again. The Halifax arrived on time this morning. The Boston train was to leave here on time; but as she was pulling out of the yard the snow plow ahead of her ran off the track, which caused a three-hour delay.

The Halifax train left here one and a half hours late. The train going east was delayed three hours waiting to get a baggage car.

The branch lines will soon be in operation again. The Salisbury and Harvey expect to run Monday. The Elgin, Pettitcodiac and Havelock will probably be in operation Tuesday or Wednesday.

The central railway is closed at present owing to the engine being out of gear. The Hampton and St. Martins is apparently done up for the winter, and will have to wait for nature to turn by one point in a game.

Good work is being done on the Shore Line, which will probably be opened up in a few days' time.

The Woodstock, Fredericton and St. Stephen branch lines are all in working order again.

A VICTORIOUS TOUR.

Thistle Curlers Home After a Pleasant and Very Successful Trip—Played in Championship Form.

The Thistle curling team returned last night from their victorious tour. They report a very pleasant trip with the exception of the two days they were storm-stayed in Sackville. The Thistles are now undoubtedly entitled to lay claim to the championship of the maritime provinces.

Before leaving St. John this team won two out of three matches from the St. Andrews Club. They also defeated Fredericton. Their first opponents on the trip were the Halifax team whom they defeated. It is worthy of mention in connection with this game that all the four St. John rinks won. The following day Halifax defeated them in a game.

From Halifax they went to Amherst where they wiped out the local team and thence to Sackville, which victory wound up the games of the trip. The team had intended to play Moncton but fate was against them in this. The stones were left by the team at the Sackville station. A train which was supposed to have been cancelled arrived at the station and the local I. C. R. official supposing the stones were to be shipped to St. John put them aboard the train in the absence of the curlers. When the curlers returned to the depot much to their chagrin they learned that their curling stones had gone and inquired to St. John instead of being left at Moncton.

MUST NOT THROW SNOWBALLS.

Magistrate Ritchie Issued An Ultimatum This Morning to That Effect.

School boys must desist from throwing snowballs and other missiles on the street or they will be fined and probably imprisoned. This was the order issued by Magistrate Ritchie this morning.

Michael O'Donnell, a lad of fourteen was before the magistrate charged with throwing ice on Main street and striking in the face Ethel Dixon, a little girl. As a result of the blow the girl is suffering with very sore eye. The lad, O'Donnell, explained that he did in fact throw the ice, but that he was throwing ice on the street and trying to strike a lamp post.

The magistrate lectured the boy and inquired upon him the fact that he laid himself open to a fine of twenty dollars. He told him that this was the second time he had appeared before him for throwing missiles, and warned him not to appear again until he was thirty years old, or else he should deal with him severely. The boy was allowed to go.

Another lad named Douglas Perkins was also charged with striking with a snowball a companion named Hazen Knox. The charge was not pressed.

AN OLD CITIZEN PASSES AWAY.

The Death of James Hamilton Took Place This Morning—Was Well Known in Shipping Circles.

The death occurred this morning of James Hamilton, one of St. John's oldest and best known citizens. Deceased, who was 78 years of age, was an extensive manufacturer of spars and many of the crack vessels that left this port in the days when sailing vessels were supreme were fitted out by him. Mr. Hamilton was recognized as public spirited citizen and numbered his friends by the hundreds. He is survived by one son, William, who is at present in the Philippines where he is carrying on the business of stevedore, and four daughters, Mrs. Charles Johnston, who lives here, Mrs. M. E. Nichols, of Digby, Mrs. Wm. Sinclair, of Welwyn, Assiniboia, and Mrs. Chas. Dykeman of Boston. J. H. McIntyre, of this city, and Miss McIntyre, a nurse, at Newton, Mass., are grandchildren.

Starting from Las Cuevas at six o'clock in the morning he arrived at Santa Rosa de Los Andes, fifty miles distant in twelve hours.

The Associated Charities have quite a number of cases on their hands as a result of the storm. Mrs. Hall, secretary of the association, says that so far this winter they have been able to meet all the cases of city people. There have been very few cases of real poverty come to their hands. They have had to deal mostly with a class of respectable citizens whose circumstances have become reduced through sickness.
