PROGRESS has developed into a sixteen page paper. Its rate of progress in quality of reading matter and circulation keep pace with this enlargement. Proorses marked out a special scheme for itself at the beginning and sticks to its own line — Woodstock Press.

"As a Matter of Course,"

"A First-Class Newspaper." PROGRESS, true to its name, seems determined to progress in all those characteristics which go to make up a first-class newspaper. It is now a sixteen-page paper, and its columns are crammed full of spicy and interesting reading and apt illustrations.

"Always Been a Favorite."
St. John Proorges is now a sixteen page Japer.
It has always been a favorite and this enlargement will add greatly to its popularity—Hallface Critic.

A master reat of Journalism,
PROGRESS is making giant strides to prove itself
worthy of its name. Its sixteen page issue of Saturday, though that was only ine first number of its
weekly series for the future, was a master feat in
provincial journalism.—Fredericton Globe.

"Success Has Been Phenomenal.

St. John Progress is true to its name. It has made steady and rapid advancement ever since its first issue was published, and the progressive march of Progress culminated last Saturday in a handsome, well filled issue of sixteen pages, which is henceforth to be the permanent size of the paper. The selling price has been changed from three cents to five cents, the latter price being proportionately the cheapest. The success of PROGRESS has been phenomenal and has even exceeded the anticipations of its founders.—Parrsboro Leader.

A Generous Send Off.

PROGRESS, of St. John, N. B., one of our much prized and brilliant foreign exchanges, recently made its appearance enlarged to sixteen pages and greatly improved typographically and otherwise. This welcome weekly visitor is owned and ably edited by Edward S. Carter, and contains a mass of useful and valuable infoamation treated in a popular and entertaining manner. Its illustrations are superb and above those of the average weeklies, and the periodical instalments of local. society, fashlon, humorous, fiction, general and Sunday reading is all that could be desired. PROGRESS has the American Shipbuilder's wishes for a continued reading is all that could be desired. PROGRESS has the American Shipbuilder's wheeks for a continued prosperity, which it richly deserves. It is published from the Masonic building, 88 Germain street, St. John, N. B., and is \$2.00 per year in advance—The American Shipbuilder (New York).

More Than the Ladies Look for It.

When the enterprising proprietors of St. John PROGRESS started that paper, there were many who considered that a paper giving, as it does, special prominence to social matters throughout the province, could not be made to succeed. But it has become an institution which promises to be permanent, and it has been doubled in size and it now is issued as a sixteen page paper. It is the paper the ladies look for when Saturday comes, and as sona a they get it open their gaze rests upon the social events of the week, and they commence to discuss the dresses worn of which a description is given. We congratulate the publishers on the success they have made Progress, and heartily wish its continuance.—Neuccastle Advocate.
