## LITTLE BITS OF SPORT CHATTER

Basketball has started with a whirl this season. At the Y. M. C. A. on Wednesday night there were two good games. The seniors put up a fine exhibition. The older players were clearly not in training but with a good reserve of ability they kept the play fast. Plans are under way for the organization of a city league. It is expected that several junior organizations will also be in the game.

Moncton has also got going in the basketball line. A strong league has been formed in connection with the Y. M. C. A. there and many of the old timers, who were prominent in basketball, have started training.

It would seem that St. John was to have no senior Rugby team this season. The lack of grounds is the big handicap but enthusiasm would help a lot. A good strong organization is needed for the promotion of football here. Someone should take up the question of grounds so that St. John may be properly equipped with an athletic field for next season.

In the meantime the High School boys are practising on the old Shamrock grounds. They are handicapped by a poor field and lack of enthusiasm among those attending the school. The turnout has been weak for almost every practice. Eighteen boys cannot do themselves nor the school justice as football representatives. The boys should take enough interest to turn out and give those who make the team some practice.

John Kilonis of Manchester (N. H.) defeated Tom Corey of Bridgeport (Conn.) on Tuesday night. Kilonis has been seen in action in these parts and was known as an aggressive and skilled mat artist.

No sooner was the World Series over than "Greasy" Neale of the World Champion Cincinnati Reds hustled to Norwood, O., a suburb of the home of the new champions, to coach football. While at college Neale was better known as a football player than a diamond star. He was a halfback and one of the best broken field runners who ever played the game in the Middle West. The manner in which he evaded tacklers earned him the nickname of "Greasy."

Harvard, Yale, Princeton, Pittsburg and Dartmouth will get their first touch of real football Saturday. Brown will face the Crimson and Frank Cavanaugh's Boston College team will make its first appearance in the Yale Bowl. Lauris Bankery's Colgate machine opposes Princeton. Penn State goes to Dartmouth and Warner's Pitt eleven tackles Syracuse.

## Local High School Beaten At Capital

St. John Scrim Superior to Fredericton But Back Division Was Poor—Game Was Loose in Spots.

Special to The Standard.

Although St. John High School had the best of the territory play, the Fredericton backs took advantage of the only two opportunities offered them and scored two entries, converting one, and defeating St. John by eight points to none.

The game was well contested throughout. The St. John seniors were superior in Fredericton but the home team backs were heavy and fast and when they got possession of the ball, always gained ground. On the other hand the St. John backs were poor. They appeared nervous and their fumbling was responsible for the loss of the game.

In the first half Fredericton was compelled to touch for safety once but St. John was unable to convert. In the second half one of the St. John halves dropped the ball which was scooped up by Fredericton and rushed across the line for a try. The kick was successful. Immediately after the kick off Fredericton kicked over the St. John touch line. One of the visiting players missed the ball out and it was immediately carried over the line again for a try, which was not converted.

The play then veered to centre field and time was soon called. Clark and Keene, for Fredericton, showed up to advantage but the whole back division of the home team was in the game at all times.

St. John's forwards did good work and controlled the ball practically throughout the game. Williams, who was on underdog one of the best St. John forwards, missed the train and his place was taken by Thompson. Knight of the visitors gained more ground than any man on the field.

## ENGLISH FLYWEIGHT CHAMPION DEFEATS PAL MOORE

Jimmy Wilde, the British flyweight champion, defeated Pal Moore, of Memphis, Tenn., in a twenty round bout at the Olympia, in London, recently. The referee gave the decision to Wilde on points. Twenty thousand persons witnessed the fight. Moore administered much punishment on his antagonist in the early stages of the bout, but at the end of the twelfth round Wilde led slightly on points. In the fourteenth round Moore sent a jab to Wilde's mouth which made the blood spurt. It was evident in the last rounds that Moore was trying for a knockout, but Wilde's ring craft and cleverness prevented the American from carrying out his plan.
