Since the epidemic began, it is stated 100,000 deaths have occurred.

## SYDNEY FANS WON HALIFAX COIN

**Matched Race Between Prince Rupert and Baron A Proved Exciting Five-Heat Contest.**

Sydney, N. S., Feb. 11.—Before 3,000 people, who thronged North Sydney harbor this afternoon, Prince Rupert, owned by Lemone Brothers, of North Sydney, won a five-heat race from Baron A, the Halifax pacer. Upwards of \$3,000 changed hands on the race. Baron A, copped the first heat with apparent ease, and Prince Rupert looked very bad in the opener. When the North Sydney pacer won the second heat in a hard, close finish, the odds switched, and when the third heat was won by the Prince Rupert, the fifth heat was the best of the afternoon and the horses raced neck and neck until about fifty yards from the wire, when Prince Rupert showed a surprising burst of speed and landed in front.

Next week, if arrangements can be completed, the North Sydney Driving Club intends to stake a free-for-all sweepstake race, with ten or eight starters. The entrance fee will be placed at \$100. In addition, the North Sydney Club will give \$100 to the purse. If this scheme goes through, the horses will race for the largest purse ever offered for an ice race in the Maritime Provinces.

## Upper Canadian Hockey Games

**St. Patrick's Outplayed Quebec at Toronto Last Night—Ottawa and Canadiens at Capital City.**

Arena, Toronto, Feb. 11.—St. Patrick's outplayed Quebec here tonight, in a National Hockey League match and came home in front by seven to two. The close checking of the Irish team had Malone and his Bull Dogs completely bewildered and from beginning to end they never had a chance to win.

**Ottawa vs. Canadiens.**

Arena, Ottawa, Feb. 11.—Ottawa drew an even terms with Canadiens in the second half of the National Hockey race here tonight when they defeated the Frenchmen 4 to 3. Canadiens led in the first period one to nothing. Ottawa braced up in the second period after Canadiens were two in the lead. Sweeping through the Canuck defense they scored three in a row. Pitts evened the game up and they went into the final period all square.

Lalonde gave Nighbor the short end in the last period, and the Ottawa center had to be carried off. It was a fast, scrappy game and Sprague Cleghorn and Couture were fined \$15 each for fighting.

## City Basketball Games Last Night

**High School Won by Default as Y.M.C.I. Team Did Not Appear—Senior Game Was Good One.**

Two games were scheduled for the City Basketball League, last night. The Intermediate game, which was to have been played between the High School and the Y. M. C. I. Intermediate, went to the High School team by default, as the Y. M. C. I. team did not put in an appearance.

The Senior game, which followed, was pronounced the best of the season. The fans anticipated a hard, close game and they were not disappointed. From the very start of the game, both the Atlantic Sugar team and the St. Andrew's seniors showed a decided determination to make the game their own, as it meant second place in the league to the winner.

Every point the St. Andrew's team made was promptly followed by a tally by the Sugar boys, and vice versa; neither team was able to maintain the lead, and the score resembled a seesaw in the way the lead changed from side to side.

**MONCTON TO MEET ST. JOHN SOON**

Y.M.C.A. Athletes to Battle for Supremacy in Basketball Contest.

Word was received over the telephone yesterday morning from George Sheikar (Physical Director of Moncton Y. M. C. A.) that their Senior Basketball Team will play the postponed schedule match on Saturday, February 21st here in St. John.

As the fans know, these two Senior Teams should have met on January 31st, but Moncton were held up at Sussex on account of the snow storm.

The Y. M. C. A. authorities wish to let their friends know that the tickets for the previous game will be good for this match and from all accounts this ought to be the best game of the season to date, as Moncton have strengthened their team since Boston's new Mall Order Building has opened up.

A good preliminary game as being arranged for that night.

**U. N. B. vs ST. JOHN Y. M. C. A.**

The Y. M. C. A. Senior Team are making their first out-of-town trip next Tuesday, when they plan to visit U. N. B. College to take on their Senior Squad, and knowing the high class and speed that the College have together this year, Roy Willett is taking his strongest squad up, to be sure of making a good showing.

U. N. B. will play a return match here in St. John.

With these senior games arranged for on our home floor Basketball fans are assured of some good sport in St. John in the near future.
