Mayorality Nominees.

Special to The Standard
Moncton, Jan. 24.—With nineteen
candidates in the field representing
practically two straight tickets posing

to have the most vigorous civic elec-

The mayoralty candidates are, Mayor

Citizens' ticket.

Issues Very Uncertain

Who will be returned to conduct
city affairs for the ensuing year is a
question that the most ardent sup-
porter of either ticket cannot at this
date forecast, with any great degree
of confidence in their prediction.

Every member of last year's council
is in the contest, but they are not all
on the same ticket. Six of the old
council are on the Labor ticket and
three of the aldermen are lined up
with the Citizens' ticket.

afternoon is as follows:

Cotton Workers At
Jobs At MarysvilleNo Protest Regarding Wage
Reduction Has Been Serv-
ed Upon the Management.

Fredericton, N. B., Jan. 24.—Al-
though it was stated after a meeting
of branch No. 1463, Union Textile
Workers of America, at Marysville on
Saturday afternoon that the reduction
of 12½ per cent in wages which the
Canadian Cottons, Ltd., put into effect
today would be protested against and
"resisted to the limit," Manager Geo.
Dolphine of the cotton mill at Mary-
sville said today that he had received
no notice of protest, nor had there
been any indication of resistance. The
mill is running with its force of op-
eratives complete today, he said.

STOP THAT TICKLING
IN THE THROAT

by Using

Dr. Wood's Norway Pine
Syrup.

That tickling in the throat sensation
is most distressing and causes a nasty,
irritating, dry cough that not only
keeps you in misery all day long, but
also prevents you enjoying a good
night's rest.

Dr. Wood's Norway Pine Syrup,
which is composed of the most scold-
ing and healing expectorant herbs and
barks combined with the lung healing
virtues of the world-famous Norway
pine tree, will give almost instant re-
lief in all cases of this nature.

Mr. E. A. Price, Port Carling, Ont.,
writes: "For about a month last fall,
I had a bad cold and cough and
tickling in my throat. I coughed near-
ly all the time. I tried different reme-
dies and cough syrups, but could get
no relief. A friend advised me to use
Dr. Wood's Norway Pine Syrup, and
before I had used two bottles, my
cough was all gone, and gone for good.
I have not coughed since."

Dr. Wood's Norway Pine Syrup is
put up in a yellow wrapper; three pine
trees the trade mark; price 35c. and
50c. a bottle at all dealers; manu-
factured only by The T. Millard Co.,
Limited, Toronto, Ont.

Unknown Is Host
At Hospital DinnerChipman Hospital Staff at St.
Stephen Guest of Anony-
mous Former Patient.

Special to The Standard
St. Stephen, Jan. 24.—One of the
most enjoyable functions of the year
was a dinner given this evening at
the Queen's Hotel to the nurses and
medical staff of the Chipman Hospital
by a gentleman who would not allow
his name to be mentioned, and who
had at one time been a patient of this
hospital, and who appreciated the
work and the worth of this institution
and took this means of showing his
appreciation.

Over sixty persons were present
and sat down to a most elaborate
dinner. The dining room was beau-
tifully decorated with flowers, and an
orchestra furnished music throughout
the evening in a splendid manner.

St. John Man Chairman.

Mr. Michael McDade of St. John,
acted as chairman of the evening and
spoke of the great work that has been
done by this institution, and of the
future which he felt was in store for
the Chipman Hospital. The toasts
during the evening were as follows:

The King, Mr. McDade; the nurses,
Miss Branscombe; medical staff, Drs.
Lawson, L. J. Chish, Blair, Bunker and
Mair; Chipman Hospital, A. A.
Leflin, J. T. Whitlock, J. L. Haley,
J. H. men, J. M. Fyewelling, M. L.
A. J. W. Scovill, M. L. A. Ladies:
L. H. Haley, R. E. Hyslop and Dr.
Thomas; press, E. Granville. Other
speakers of the evening were C. E.
Huestis and J. W. Graham. After
a vote of thanks was extended to the
giver of this elaborate affair and the
singing of the National Anthem, the
gathering broke up in the "wee sma"
hours.

DIVORCE COURT OPENS.

Fredericton, N. B., Jan. 24.—The
divorce court this year will open to-
morrow with a docket of eight cases.
Only two are entirely new. Guy S.
Johnson vs. Gertrude Johnson, in
which the parties reside in St. John,
and Charles Baker vs. Edith Mary
Baker, in which the parties are of
Harvey Station, York County. During
1920 fifteen divorces were granted in
New Brunswick, thirteen of which had
been applied for by the husband.

FINGER CUT OFF.

Chatham, Jan. 24.—James Edge, son
of Wm. Edge, had one of his hands
badly mangled by the rearing ma-
chine operated by John W. McNaughton,
at Black River. One of his fin-
gers was found in the sawdust, and
the hand appears to have been severely
hurt. He was brought to Chatham
and is now in the Hotel Dieu Hospital.

SPECIAL TRAIN COSTLY.

Fredericton, Jan. 24.—C. N. E. off-
this morning named \$58.75 as
the minimum charge for a special
train to take the Fredericton hockey
club and supporters to Chatham for
the crucial game there on Wednesday
night in the New Brunswick Hockey
League.

tiary were the sentences given Wm.

Complicated He Decides to

Halifax, Jan. 24.—Hearing of the
charge against George E. Vanbuskirk,
local coal merchant, of delivering short
weight coal to a customer, was con-
cluded in the police court this after-
noon, and Stipendiary Magistrate
withheld decision until Wednesday
morning. The case was complicated
by the fact that the accused dealer, on
the witness stand this afternoon, absolutely
denied the testimony of Clarence Coxway,
formerly in Vanbuskirk's employ, that
figures on a city coal weigher's certifi-
cate had been raised at the request of
Vanbuskirk, and in the presence of
Vanbuskirk, senior. The witness ad-
mitted that the figures had been raised
by his brother, but swore that this
was done without the knowledge of
his father.

Claims Desire for Revenge

Addressing the court, J. L. Ralston,
counsel for the accused, said that Cox-
way, who had laid the information in
the case, was actuated solely by a de-
sire for revenge, and that his whole
story had been manufactured for the
purpose of getting Mr. Vanbuskirk in-
to trouble.

Andrew Cluney, crown prosecutor,
said he believed Coxway was telling
the truth. When counsel had con-
cluded argument, the magistrate an-
nounced that, as a very serious offense
was charged, he would have to have fur-
ther time to go over the evidence and
would announce his decision at ten
o'clock Wednesday morning.

CHARLES COCHRANE DEAD

Windsor, N. S., Jan. 24.—Charles
Cochrane died Sunday afternoon, aged
78 years. He was born in Windsor,
New Brunswick, in 1842, and was the
only child by first wife of the late Richard
Cochrane, of Wentworth. He is sur-
vived by his half sister, Mrs. Henry
Hastfield, of Wolfaton, Mass. His
children surviving are: Frederick,
Western representative of the New
Slip Mfg. Co., Montreal; Harry, Vic-
toria Corner, Carleton County, N. B.;
Robert and John, of Windsor; Ralph,
General Secretary of the Y. M. C. A.,
at Owen Sound, Ontario, and one
daughter, Ethel, rural science teacher.

STRIKE CALLED OFF

Meibourne, Ass., Jan. 24.—The mar-
ine stewards here and at Sydney at
a mass meeting held today, called off
their strike which had been in pro-
gress for some time. The strike was
due to a dispute concerning working
hours.

Norton Churches
In Special Meetings
Week of Prayer Services De-
velop Into United Cam-
paign for All Churches.

Special to The Standard.

Norton, Jan. 24.—It appears that
the churches in Norton have taken a
new lease of life and are now out for
an aggressive campaign. Whether
they are recovering from a long sleep
or are conscious of themselves, after resting
on their oars is a matter of opinion.
In any case today they are besirring
themselves and "activity for Christ"
is their motto. It would seem that
through the visit of Mr. Foster a former
Evangelist from Maine during De-
cember many of the Christians attend-
ing the services were deeply impres-
sioned.

Continue the Services.

It was therefore decided that the
services be continued Monday,
Wednesday and Friday of each week
until the services of an evangelist
could be secured to carry the work
on to still greater results.

The Rev. J. E. Shanklin of the
Methodist Church, Springfield, has al-
so thrown himself into the work and
it has been a source of regret that
Rev. G. B. Traflet of the Reformed
Baptist Church could not, owing to ill-
health, participate in these united ef-
forts.

On Sunday last the Rev. T. A.
Wood, an evangelist in the service
of the Presbyterian church of Canada
began a campaign of evangelism with
the united churches assisted by Mr.
W. J. McBretnay, a remarkable solo-
ist.

OF THE MOVEMENTFarmer of Once Limited Vi-
sion is Now Taking an Em-
pire View of Things.

Special to The Standard.

Gagetown, Jan. 24.—William Irvine
provincial organizer of the United
Farmers' movement was the speaker
at a meeting in the Temperance Hall,
with a view to forming a branch of
the United Farmers here. Less than
thirty turned out to attend the meet-
ing and hear the views of the speak-
er, who was well worth hearing, al-
though his address did not confine
itself strictly within the bounds of
what was once considered the "farmer's
sphere." George W. Dingee, who
was one of the defeated candidates,
as representative of the Farmer's
party, in last October's election, was
appointed chairman, and introduced
the speaker. Mr. Irvine proved an
entertaining speaker.

PAGE 3—FARMER LEADER—

Sketches the Movement.

He told how the movement, arising
out of the present period of unrest,
had progressed through organization
until there were now in New Brun-
swick 10,000 members, with a number
of co-operative stores and an official
paper. He emphasized that the prin-
ciple object of the Farmer's movement
was not political; but aimed at a
national uplift of the nation along edu-
cational, commercial and industrial
lines. The farmer, he said, must look
beyond the confines of his own prop-
erty and consider the national prob-
lems of the day. The "hay seed" of
the comic papers had given way to the
"agriculturalist" and the farmer of the
present day must live up to his new
role. He must take an interest in ed-
ucation. The teachers of Canada were
among the most important function-
aries in Canada today, and must have
among others, the support, in money
and interest, of the farmer class. In
order that they may carry on the
work they are trying to do. The edu-
cational system was not perfect, but
the speaker looked forward to im-
provement in the future.

Place of Religion.

The place of religion in the home
and nation was dealt with by Mr. Ir-
vine in a striking manner. The
churches must be supported in order
that they in turn may raise the moral
status of the world.

At the close of his address Mr. Ir-
vine stated that he would like to form
a local branch of the organization,
outlining its objects as embracing ed-
ucation, industry, or any other move-
ment in the interests of the people's
welfare, at the discretion of the local
organization. The names of those in-
terested in forming a branch were

Huge Dairy Trade of
Prince Edward IslandDuring Last Year Over 45-
000,000 Pounds of Milk
Were Produced on Island.

Charlottetown, P. E. I., Jan. 24.—
The annual report of the secretary of
the Provincial Dairy Association,
read at the opening session of the an-
nual meeting held here today, shows
that last year over 45,000,000 pounds
of milk were supplied to the cheese
and butter factories, an increase of
1,000,000 pounds over 1919. For but-
ter alone the increase was 7,000,000
pounds. The tendency in the industry
is to change over from cheese to but-
ter making.

Cheese Values Decline.

Last year the gross value of cheese
was \$493,000, a decrease of \$168,000;
and of butter \$531,000, an increase of
\$121,000. The gross value of butter
and cheese was over \$1,000,000 and
the net value \$900,000, a decrease of
about \$45,000. The speakers at the
meeting included J. A. Riddick, of
Ottawa, dairy commissioner for Can-
ada, and W. A. McKay, of Truro, dairy
superintendent for Nova Scotia.

Cove Keeper Was Found
Short of Water!

Special to The Standard.

Grand Manan, Jan. 24.—The lobster
fishery is not being pushed so vigor-
ously of late on Grand Manan, as the
very variable weather of the past two
weeks has made it difficult to attend
the traps. A drop in price is also re-
ported.

The people of Seal Cove were stir-
red one day this week to notice the
Distress Signal flying from Gannet
Rock Light. The gale of Thursday
prevented assistance being sent, but
on Friday the proper official went to
the light taking some supplies when
he learned that the supply of water
was exhausted. Returning immedi-
ately to Seal Cove a supply of water
was provided and dispatched to Gan-
net Rock that evening when the
smoothness of the seas made landing
possible.

fied their intention of joining and the
branch was not organized, although
it may be, at a later date. A vote of
thanks was tendered Mr. Irvine at the
close of his address.

BARELY HALF OF
USUAL WORK AT
SYDNEY PLANTOrdinary Staff is 4,000 Men
But Now Only 2,400
Are at Work.WORKING UNDER CUT
OF TWENTY PER CENT.Men Are Not Talkative But
Impression is That They
Must Make Best of Situation

Sydney, N. S., Jan. 24.—Two thou-
sand and four hundred men are employed
daily at the steel plant, compared with
4,000 when the full staff is engaged.
Three mills are operating. Plants
blooming and billet. An official stated
this morning that no new orders
had been received and the outlook
was none too rosy. However, the
company is seeking business and it
may be that should nothing new be
booked, work may be received from
Montreal to manufacture stock which
would be kept on hand until called
for. The official was of the opinion
that unless new business was booked
the plant would suspend operations
next week. However, he concluded,
that is a matter that the future must
decide. Everything that the company
has in the way of freight is being
offered and accepted by the C. N. R.

Under New Wages.

Saturday saw the last day of the
first week at the plant under the new
wage scale, marking a cut of twenty
per cent. in the wages of all em-
ployees of the Dominion Iron and
Steel Company, according to the cir-
cular posted on January 8th. The
big drop of one-fifth of the total earn-
ings of the workmen has not yet been
felt, except through the partial idleness
up to now. The first pay en-
velopes with the new wages will be
distributed in the course of this week
and a true expression of the effect
can hardly be estimated yet. Em-
ployees spoken to are silent on the
subject. They seem to have nothing
to say, but their attitude seems to
be that they have to put up with the
situation, the only alternative being
idleness.

Evangelist Heals By
Exercise of FaithThree Reported to Have Re-
ceived Distinct Help at Seal
Cove Special Services.

Special to The Standard.

Seal Cove, Jan. 24.—Great interest
is being manifested on Grand Manan
in the religious revivals now in pro-
gress here and at Grand Harbor. That
at Seal Cove is of the high pressure
type, meetings being held both after-
noon and evening of every day and
attended by throngs that pack the
church. On Thursday evening last,
Evangelist Neece demonstrated his
power as a living healer. Distinct re-
lief is reported to have been received
by three persons.

The revival at Grand Harbor is of

a different type. The preaching of
Evangelist I. J. Tingley is aimed at
the reason, and the will, and the work
is attended with great excitement. Peo-
ple from all parts of Grand Manan are
attending both revivals.

Wood Cutting Hampered

The absence of snow on Grand Man-
an is interfering with gathering the
season's cut of wood. While condi-
tions have been excellent for cutting
in the woods, the lack of snow has
prevented hauling much to the doors.
Although Grand Manan is heavily
wooded, the fuel problem is really
acute. The last cargo of soft coal dis-
charged on Grand Manan was sold at
\$16 per ton from the vessel.
