Steamboat. Ayer's Cathartic Pills, Kailway For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safeat, surest, and best of all the PIIIs with which the market abounds. By their occasional use, the blood is purlied, the corruptions of the system expelled, obstructions removed, and the whole machinery of his restored to its healthy activity. Internal organs which become clogged and sluggish are cleaned by Ayer's PIIIs, and stimulated into action. Thus inclinent disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

A Moravian Idyl (very).

With just sufficient sense to imitate the plan A Chemist had, to advertise his store of the plan A Chemist had been a chemist On this revolving globe once lived a man, With just sufficient sense to imitate the plan A Chemist had, to advertise his store Of Soaps and Oils, in King Street twenty-four. This grim Moravian with the rhymer's art, First stole his title, not wholly but in part. Then to his lines, impossible to scan, The names of Hood and Cowper at the botton ran:

and for the following complaints, which these Pills rapidly cure:

For Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action. For Liver Complaint and its various symptoms, Billious Headache, Sick Headache, Jaundice or Green Fickness, Billious Colic and Billious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it. pathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus. Dr. J. C.
