

Do you ask

Is it Good?

We confidently reply **Yes!**

Extract of Vanilla "E"—Of this we say without hesitation there is no better, and we let it stand for our line of extracts. It is often heard said of some article that is sold in more than one branch of trade "I buy it at the chemist's where I can get it GOOD"—a deserved tribute to the manufacturing chemist. For this reason we bespeak your preference for our GOLD MEDAL ESSENCES—specify new style.

Canadian Cattle Spice—A good condition medicine for all kinds of live stock. You can hardly improve upon it for quality, and it is very cheap. 100 lb. bag, \$4; 10c. sample cartons, 70c. doz.; 7 dozens in a barrel; package free.

Cascara Cordial, "E"—Every maker is out claiming his particular Aromatic Cascara to be "the best." The flavor is a matter of TASTE. Ours is very pleasant. It is also non-gripping and of constant strength. DOSE.—30 to 60 minims. \$3.75 per doz., 55c. per lb., \$3 per Winchester.

Syrup of Figs, "E"—A good and exceedingly pleasant substitute for Senna Tea, of stated strength. You can get it in bulk for dispensing or bottling. \$3.75 per doz., 72c. per lb., \$3.25 per Winchester.

And So On—Lime Juice "E," \$3.80 and \$1.60; Quinine Wine, "E," \$6.00; Beef, Iron and Wine, "E," \$5.50 and \$4.00; Woneff's Cholera Remedy, \$1.50; G. M. Liquid Glue (2 oz.) 75c., &c., &c.
