Dear Mr. Scott:-

Township 29, Range 2, E.P.M.
Township 30, Range 2, E.P.M.

In pursuance of the general policy of making available as much land as possible for Soldier Settlement we are making a general check of all records with a view to ascertaining what lands are at present reserved from settlement and whether it is possible to throw such lands open for entry.

Parts of the above townships would appear to be reserved for purposes of your Department, and in order that there may be no discrepancy as between our records and those of your Department, will you kindly indicate on the enclosed plans what lands are required by your Department and return the plans to me as soon as possible.

Yours sincerely,

[Signature]
Deputy Minister.
