

Go, Bury Thy Sorrow

Thou Canst Make Thy Life
Happy and Joyous.

THROW OFF THY BURDEN OF
DISEASE AND SUFFERING

Paine's Celery Compound Does
the Good Work.

Cured People Send in Strong
Testimony Every Day.

Go bury thy heavy burden of sorrow, disease and suffering at once. It may be that thou hast been in agony for years. No doubt disappointments have attended thy past efforts and endeavors, and now thou art sad, despondent and hopeless.

Suffering one, thou hast been misled and deceived up to the present by medicines that had no curative virtues. Whilst thou hast been groping in darkness for a cure, thousands have been made well by the mighty curing powers of Paine's Celery Compound.

This marvellous medicine is made to meet the wants and necessities of rich and poor, of old and young who suffer from any derangement of the system.

Hast thou read any of the wonderful cures wrought by this health-giver? If not, send at once for a book wherein are records of attested wonders—men and women saved even at the point of death. Amongst these records will be found the names of some of Canada's best people; you will know many of them.

Strong testimony is pouring in every day in favor of Paine's Celery Compound. A letter has just come from Mrs. E. Rankin, of Courtright, Lambton, Co., Ont., from it we give the following extracts:—

"With great pleasure I beg to inform you of the good I have received from the use of Paine's Celery Compound. For a number of years I have been in very poor health owing to various causes, and lately I was advised to try your medicine. I used three bottles, and have received a world of good. My severe headaches are completely banished, and heart disease, from which I suffered for thirty years, has almost disappeared, and altogether I am vastly improved. I am fully convinced that Paine's Celery Compound is all it is recommended to be."

SMILES.

"John, what is the best thing to feed a parrot on?" asked an elderly lady of her bachelor brother, who hated parrots. "Arsenic," gruffly answered John.

"Nothing," says Scribbler, "is more disheartening to man than the discovery that he has married a woman who loves to keep his writing table in order."

"Who," says a poet, "would indite sonnets to a woman whom he saw every morning in her nightcap, and every day at dinner swallowing meat and mustard?"

Scobjell: I don't know what to do with my boy. He has St. Vitus's dance. His contortions are frightful. Yaggers: Make a great pianist of him, and it will pass for eccentricity.

The musical Scale in Flats.—Gent, looking into the apartment of a musical composer: Excuse me, does Mr. Secretary Meyer live here? Musician: No; he lives an octave higher.

A Russian Joke.—At a country ball: "My dear sir, you have just stepped on my partner's foot. I demand satisfaction." "Oh, certainly; yonder sits my wife—go and step on her foot."

WHAT IS

It is a most valuable preparation, restoring to gray hair its natural color, making it soft and glossy and giving it an incomparable lustre. ROBSON'S HAIR RESTORER is far superior to ordinary hair dyes, for it does not stain the skin and is most easily applied. One of its most remarkable qualities is the property it possesses of preventing the falling out of the hair, promoting its growth and preserving its vitality. — Numerous and very flattering testimonials from well known PHYSICIANS and other citizens of good standing testify to the marvelous efficacy of ROBSON'S HAIR RESTORER. Lack of space allows us to reproduce only the two following:

Testimony of Dr. D. Marsolais,
Lavaltrie.

I have used several bottles of Robson's Hair Restorer, and I cannot do otherwise than highly praise the merits of this excellent preparation. Owing to its use, the hair preserves its original color and in addition acquires an incomparable pliancy and lustre. What pleases me most in this Restorer is a smooth, oleaginous substance, eminently calculated to impart nourishment to the hair, preserve its vigor, and stimulate its growth, a substance which replaces the water used by the manufacturers of the greater part of the Restorers of the day from an economical point of view. This is a proof that the manufacturer of Robson's Restorer is above all anxious to produce an article of real value, regardless of the expense necessary to attain this end. It is with pleasure that I recommend Robson's Restorer in preference to all other preparations of that nature.

D. MARSOLAIS, M. D.
Lavaltrie, December 26th, 1885.

Testimony of Dr. G. Desrosiers,
St. Félix de Valois.

I know several persons who have for some years used Robson's Hair Restorer and are very well satisfied with this preparation, which preserves the original color of the hair, as it was in youth, makes it surpassingly soft and glossy, and stimulates at the same time its growth. Knowing the principal ingredients of Robson's Restorer, I understand perfectly why this preparation is so superior to other similar preparations. In fact the substance to which I allude is known to exercise in a high degree an emollient and softening influence on the hair. It is also highly nutritive for the hair, adapted to promote its growth, and to greatly prolong its vitality. I therefore confidently recommend the use of Robson's Hair Restorer to those persons whose hair is prematurely gray and who wish to remove this sign of approaching old age.
