

# Klondikers Attention!

203 GOLD  
and Silver  
Medals  
and First Prizes.

THOSE who contemplate going to the Klondike will find it to their advantage to order Camping requisites from us. We are pioneers at the business and know what is needed.

We fitted out the Canadian section of the Alaskan International Boundary Commission, under Mr. Ogilvie, with Tents, etc., and we also made the Tents for Major Walsh's expedition.

Estimates and other information cheerfully furnished.
