

Old Tea Drinkers Appreciate

Blue Ribbon TEA

They have tried many other kinds which made great claims, but found that none of them had the Strength or delightful Richness and Fragrance of Blue Ribbon Tea.

Besides, no other tea has the fine rich Flavor which has made Blue Ribbon Tea so popular all over the West.

People using it for the first time should remember that Blue Ribbon Tea is much Stronger and Richer than other teas, and should put less in the pot.

Flavor and Economy

I have been induced to try other teas by samples given, but although the price was sometimes more, I cannot conscientiously say that any other tea we have tried is equal to Blue Ribbon either in flavor or economy, as this requires but little tea to produce a teapotful of medium size. I have often strongly recommended Blue Ribbon Tea to my friends, for I think it cannot be excelled.

All Like It Very Much.

We have been using Blue Ribbon Tea for about 8 or 9 years, first at home and now I'm married I use it in my own home. We all like it very much.

Enjoys Good Tea.

I have used the Blue Ribbon Tea for years and recommend it always to my friends as being the best tea I can get in Canada, and being English, I well enjoy a cup of good tea.

Back to Blue Ribbon.

I think one mostly tires in a short time using the same tea, but it is not so with Blue Ribbon. I have used it over 9 years now and will not use any other. Sometimes the storekeepers have talked me into trying another tea, but I have always been thankful when it was used, so as to go back to Blue Ribbon. A number of friends who have tried it at my house have taken to using it themselves.
