## In Buying a Car for the First Time

Above all things else the one safe guide is the reputation of the car you are considering. Who makes it? What is their reputation? What has the car done? Who has bought it before? The correct answer to these questions will place the desirability of the car in a pretty clear light. As a preliminary to studying the car itself they should never be overlooked.

Applied to the **Russell "30"** they are illuminating

What other car on the market can welcome such a searching investigation? Reputation—record of past performances—list of experienced buyers—all these things leave no chance for doubt. And another remarkable fact is—this year's price is down to **\$2,350**—fully equipped.

Russell "30" has 115-in. wheel base; carries five passengers in complete comfort; has shaft drive, selective transmission, floating type of rear axle, etc. It is beautifully finished and upholstered.

Investigate! Let us show you this car inside and out. It's a wonderful value.
