New Career Program

Transition to Employment is a FREE two-year program designed to help students successfully negotiate the transition from university to the workplace. The program offers twelve excellent sessions for students:

- Introduction to career planning
- Identifying your skills
- Career interests, preferences and values
- Identifying occupations that match interests and skills
- Preparing for a summer job search
- Setting career goals and action plans
- Understanding the changing workplace
- Resumes, covering letters and references
- Interview hints & interview practice
- Networking and developing a community profile
- Success!

Sessions are informative and fun. They are open to part time and full time students at UNB and St. Thomas University and are accessible for students with disabilities.

For more information, call 453-4684 or visit us upstairs at Neville Homestead.

Get Involved in Your Community

The Fredericton Junior Chamber Inc. (FJC) is both a personal and professional development, and community service organization for young people between 18 and 39 years of age. It is one of the Canadian chapters of the Junior Chamber International (JCI) which includes more than 100 countries.

developing leadership skills and meeting interesting people. Self-improvement, learning how to accept responsibility, decision-making, effective speaking, developing management techniques, being a better employer, employee and person are some of the things a member can learn.

The goal of the Fredericton Junior Chamber is to provide members with the opportunity to play an active role in the civic life of the community while
