acquisition to the land then  
cultivated. All fences built to come  
up to the requirements of the By-Laws of  
the Township of Carleton regulating  
the construction of live fences for the  
said Township, and all basswood  
logs to be peeled, and not placed near  
the bottom being the third rail.  
All straw to be fed on the place  
or its equivalent returned in manure,  
and to keep down all noxious weeds.

Mr Crayth has carried out his  
part of the former lease, and is  
a desirable party to receive a  
lease, and as the locate of the  
land is an aged infirm Indian.  
The Department cannot get a better  
man to lease the land to than he.

I have the honor to be  
Sir,  
Your obedient servant  
Murchison  
Indian Agent

The Hon  
The Supt General  
of Indian Affairs
