Ste. Ann de Restigouche

Sept. 30 th, 1911

At a General meeting of the Indians of the Restigouche Reserve held at the Council room.

Proposed and resolved unanimously to ask permission of the Department to cut and sell some saw logs, square timber and railway ties etc. of our Reserve to help us to "Winter" but as we have in general a very small lots of land consequently unable to raise enough crop to keep our family.
