Com^{rs}.

Att a meeting of the Com^{rs} of the Indian Affairs in Albany the 19th Day of September 1724

His Excel. was pleased to lay before this Board two affidavits of Maj^r Goose van Schaick & David van der heyden whereby appears that the Onoyce Carrying place is sufficiently cleared up & mended & that the Wood Creek is cleared up and y^e trees cut & carried away out of the same, so that its navigable for about six miles as these van Schaick & van Der heyden have sworn

Whereupon His Excel. has promised y^e Undertakers Jan Wemp and Jacob Glen to Endeavour to procure a warrant to pass in Council for the half of the money agreed for Compleating the whole work being £ 75: for the remainder when it shall appear the whole work is done

His Excellency like ^{with provisions to have promised} these undertakers £ 25: more on Condition that they make a sufficient Cart way from the end of the Road already made to the wood Creek ~~which~~ from thence to the place where the Canada Creek falls into the said wood Creek which is navigable all Summer, that they should likewise make a sufficient Bridge over the s^d Fox Creek near the place where the onoyces usually pass the Creek as they are going a fishing w^{ch} is said to be about four English miles lower then where the s^d two Creeks Join and that likewise the s^d Undertakers do remove those few Trees that lye a Cross the Channel of the Mohawks River so that there may be a sufficient Channel to come to the Carrying place and that the bridge be made of a sufficient height that Canoes may pass under it when the water is at the highest and of Strength that the fishes may not Carry it away. This minute being read to Capt^t Glen one of the undertakers w^{ch} agreed & approved of it is desired a Copy of the same wth His Excel. orderd to be delivered him.
