

CHRISTMAS TREE FOR AIRMENS' CHILDREN

A special treat was given yesterday to over sixty kiddies by the Commanding Officer and staff of No. 5 Initial Training School.

Many young eyes popped wide open with delight when they arrived at the auditorium and beheld a large Christmas tree loaded with gifts.

Santa Claus was at his best in the person of Sergeant E.P. Cooper, who filled them with glee with his jovial antics, and when he presented each child with a present from the tree.

A Donald Duck picture was shown on the screen, and a novelty tap-dance number was performed by Miss Helen Cooper, after which refreshments were served to the mothers and children.
