copy.

December, 3rd, 1925.

Editor,  
Winnipeg Tribune,  
Winnipeg, Man.

Dear Sir,-

Referring to your very heated editorial criticising Mr. Meighen's speech at Hamilton, a very sane pronouncement indeed in the minds of a great many people considering times and conditions. I would like to draw your attention to the fact that it is quite possible to have civil war without the use of fire-arms.

Yours truly,

Marshall B. Dean.

MBD/MK.
