Ottawa 22nd December, 1908

Sir,

Last year this Department sent to your office a sample of twine such as is called for in the schedule advertising supplies required for Indian purposes. The sample was sent in order that it might be placed on view, and seen and examined by persons intending to tender for twine called for by the Department for Indians. Similar supplies of twine are being called for this year. I shall therefore be glad to know whether the sample sent you is still available for examination. If not a new sample will be forwarded to be placed on view.

Your obedient servant.

Secretary.
