Ottawa, 9th September, 1915.

Sir,-

I enclose for your information copy of a letter of the 6th instant, which the Department has received from Dr. Woods, with regard to the case of Peter Antoine, who is ill with diphtheria. The Department has written to Dr. Woods approving of his action in this case. You should co-operate with the doctor in the enforcement of a strict quarantine in this and any other case of diphtheria which may develop.

Your obedient servant,

Asst. Deputy and Secretary.

H. James, Esq.,
Indian Agent,
Delaware, Ont.
